

**REQUEST FOR PROPOSAL (RFP) NO. 18-005
Metrorail Station Emergency Response Exercise Series**

Addendum No. 1

This Addendum No. 1 publishes technical questions received from bidders and the responses as follows:

Question	Response
What is the contract period of performance?	The exact period of performance for the contract is not available, however, it is anticipated that the performance period will last through the end of the March 2019.
Has WMATA pre-identified exercise dates or know approximately when it would like to conduct the exercises?	No. The planning team will determine dates based on jurisdictional agreement. All exercises will be completed in 2018.
Does WMATA want the offeror to propose a project timeline as part of the offeror's approach?	A projected timeline is not required as a part of the Offeror's technical approach.
Does the offeror need to provide references (Worksheet 1 & 2) for its DBE partner(s) and/or any other partners/subcontractors proposed?	No, the Offeror does not need to provide references for its proposed subcontractors.
Should Section E, Past Grant Management Plan be placed before or after Section F, Certifications and Disclosures?	Please submit the required Exhibits in alphabetical order.

All other terms and conditions of the RFP remain unchanged.
