

REQUEST FOR PROPOSAL (RFP) NO. 18-008
Water and Wastewater Treatment Chemicals

Addendum No. 12
Frederick County Specifications Revisions

This Addendum No. 12 revises the chemical specifications for Frederick County in Section V and Table A - Price Proposal Form of RFP #18-008, as follows:

“The Estimated Quantity per Annum for Line Item #030 (Hydrofluosilicic Acid (25%), Bulk) is revised from 6,600 Tons to **3 Tons.**”

All other terms and conditions of the RFP remain unchanged.
