Through its environmental work, the COG's Department of Environmental Programs is advancing *Region Forward* goals for clean water, air, and land, and a more sustainable region. COG and its member governments play key roles in planning and outreach to [reduce](#)

[air pollution](#). COG supports ongoing efforts to ensure a [safe water supply and to revitalize local waterways](#) through wastewater and stormwater planning. It promotes energy conservation, alternative energy sources, and green building and fleet policies to help [reduce regional greenhouse gas emissions](#). COG also promotes [recycling](#) and supports efforts to enhance and preserve [forestry resources and agriculture](#).

III. Project Overview

A. Background

COG is seeking proposals that offer methods to maintain three (3) trash traps in the Anacostia River tributaries. The location of each trap is depicted in the map attached (see Exhibit A Map 1, page 39). This project will help continue the Prince George's County's Department of the Environment's (PGDoE) efforts to reduce trash loads to the Anacostia River and streams. MWCOG is soliciting proposals from eligible entities (called "Proposers") to provide monitoring and maintenance of these three (3) identified trash traps. This will help reduce instream litter in the County as well as document the trash quantities to meet NPDES permit requirements.

B. Objectives/Deliverables

The purpose of this RFP is to seek qualified Proposers who can monitor and maintain instream trash traps. A successful Proposer will propose how to:

- Design and implement trash trap maintenance activities for three (3) trash traps in the Anacostia Watershed for two (2) years;
- Collect data on the amount and types of trash being captured by all three (3) traps; and
- Draft a trash trap maintenance protocol document.

IV. Project Outputs

The Proposer should provide information on the following in its proposal for review and approval by COG:

- A. Develop a plan for conducting regular maintenance and cleaning of all three (3) trash traps at least once per week and immediately following a large rain event (greater than 1 inch of rainfall). During weekly maintenance visits, the grantee will have to check all hardware associated with the traps to make sure the trap is in good working order. At a minimum, the grantee shall report on the cable and "deadman" anchor connections, general condition of the booms, traps are collecting trash through various channel flow volumes.

When debris and trash caught/collected in the trash trap removal is necessary, trash items will be separated from the debris and that trash will be separated into the 20-Anacostia Trash categories and recorded as count and weight (pounds) on to a COG provided data sheet (see Exhibit B Table 1; page 40).

- B. Arrange to properly dispose trash and debris removed from the trash trap at approved sites.
- C. The grantee will have to work with COG, PGDoE, and the Maryland National Capital Park and Planning Commission (M-NCPPC) to report any effects the traps have on local wildlife,

flooding and streambank erosion condition. The trash collections must be designed to ensure that the traps function properly and last their projected lives.

- D. Grantee must review the COG trash list and, attend a required COG training course to sort trash for data collection.
- E. The Proposer must develop a plan on how it will collect data on total weight of trash, count and record different types of trash. All data collected must be transferred to an electronic database using Microsoft Excel, Access, or another acceptable database program.
- F. Provide quarterly reports project progress. The quarterly report must detail actions taken in the quarter preceding the report date, highlight outputs achieved, provide a financial update, and describe unforeseen changes to project timetable, staffing, or partnerships, as well as any other changes that may affect project outcomes.
- G. Provide the completed database (see item D above) with a final report.

V. QUALIFICATIONS

The selected consultant will be expected to:

- A. Hold respective and active licenses and permits as required by jurisdictions where work is to be performed to where the PI is located (i.e., Maryland, Prince George's County).
- B. The Proposer must provide references and past performance (Attachment C) information which demonstrates the Proposer's knowledge of, and experience in, maintaining trash traps and working under harsh conditions. Bandalong Litter Trap™ maintenance experience is highly desirable. Evidence of expertise for personnel who will be working on this project must also be included in the application.

XI. Termination - 49 U.S.C. Part 18

Applicable to all contracts in excess of \$10,000

A. Termination for Convenience

COG, by written notice, may terminate this Contract, in whole or in part, at any time by written notice to the SUBRECIPIENT when it is in COG's best interest. If this Contract is terminated, COG shall be liable only for payment

under the payment provisions of this Contract for services rendered before the effective date of termination.

B. Termination for Default [Breach or Cause]

If the SUBRECIPIENT fails to perform in the manner called for in this Contract, or if the SUBRECIPIENT fails to comply with any other provisions of the Contract, COG may terminate this Contract for default. Termination shall be effected by serving a notice of termination on the SUBRECIPIENT setting forth the manner in which the Contract is in default. The SUBRECIPIENT will only be paid the contract price for services performed in accordance with the manner of performance set forth in the Contract. If it is later determined by COG that the SUBRECIPIENT had an excusable reason for not performing, such as strike, fire, or flood, events which are beyond the control of the SUBRECIPIENT, COG, after setting up a new delivery of performance schedule, may allow the SUBRECIPIENT to continue work, or treat the termination as a termination for convenience.

C. COG in its sole discretion may, in the case of termination for breach or default, allow the SUBRECIPIENT ten (10) working days in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions.

If the SUBRECIPIENT fails to remedy to COG's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within the ten (10) working days after receipt by the SUBRECIPIENT of written notice from COG setting forth the nature of said breach or default, COG shall have the right to terminate the Contract without further obligation to the SUBRECIPIENT. Any such termination for default shall not in any way operate to preclude COG from also pursuing all available remedies against the SUBRECIPIENT and its sureties for said breach or default.

D. In the event COG elects to waive its remedies for any breach by the SUBRECIPIENT of any covenant, term or condition of this Contract, such waiver by COG shall not limit COG's remedies for any succeeding breach of that or any other term, covenant, or condition of this Contract.

XII. Civil Rights Requirements - 29 U.S.C. § 62, 42 U.S.C. § 2000, 42 U.S.C. § 602, 42 U.S.C. § 12112, 42 U.S.C. § 12132, 49 U.S.C. § 5332

In addition, the SUBRECIPIENT agrees to comply

with applicable federal implementing regulations. The clauses of Appendix A and E of the U.S. DOT Standard Title VI Assurances (USDOT 1050.2A) are incorporated herein by reference.

B. **Equal Employment Opportunity.** The following equal employment opportunity requirements apply to the underlying contract:

1. Race, Color, Creed, National Origin, Sex

In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, the SUBRECIPIENT agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S DOL) regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. Parts 60 et seq. (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note), and with any applicable federal statutes, executive orders, regulations, and federal policies that may in the future affect activities undertaken in the course of this PROJECT. The SUBRECIPIENT agrees to take affirmative action to ensure that Proposers are employed, and that employees are treated during employment without regard to their race, color, creed, national origin, sex, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the SUBRECIPIENT agrees to comply with apprenticeship. In addition, the SUBRECIPIENT agrees to comply with any implementing requirements the funding federal agency may issue.

2. Age

In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § 623 and other applicable law, the SUBRECIPIENT agrees to refrain from discrimination against present and prospective employees for reason of age. In addition, the SUBRECIPIENT agrees to comply with any implementing requirements the funding federal agency may issue.

Part 1630, pertaining to employment of persons with disabilities. In addition, the

SUBRECIPIENT agrees to comply with any implementing requirements the funding federal agency may issue.

- C. The SUBRECIPIENT also agrees to include these requirements in each subcontract financed in whole or in part with federal assistance, modified only if necessary to identify the affected parties.

XIII. Breaches and Dispute Resolution.

A. Disputes

Disputes arising in the performance of this Contract which are not resolved by agreement of the parties shall be decided in writing by the COG Executive Director or his/her designee. This decision shall be final and conclusive, unless within ten (10) working days from the date of receipt of its copy, the SUBRECIPIENT mails or otherwise furnishes a written appeal to the Executive Director or his/her designee. In connection with any such appeal, the SUBRECIPIENT shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of the Executive Director or his/her designee shall be binding upon the SUBRECIPIENT, and the SUBRECIPIENT shall abide by the decision.

B. Performance During Dispute

Unless otherwise directed by COG, the SUBRECIPIENT shall continue performance under this Contract while matters in dispute are being resolved.

C. Claim for Damages

Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the party or of any of its employees, agents or others for acts it is legally liable, a claim for damages therefore shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage.

D. Remedies

Unless this Contract provides otherwise, all claims, counterclaims, disputes and other matters in question between COG and the SUBRECIPIENT arising out of or relating to this agreement or its breach may be submitted by the parties for arbitration if the parties mutually agree, otherwise, such claims, counterclaims, disputes and other matters shall be decided by a court of competent jurisdiction within the District of Columbia.

E. Rights and Remedies

The duties and obligations imposed by the Contract and the rights and remedies available there under shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by COG or the SUBRECIPIENT shall constitute a waiver or any right or duty afforded to them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach there under, except as may be specifically agreed in writing.

XIV. Patent and Rights in Data.

A. Rights in Data

The following requirements apply to each contract involving experimental, developmental or research work:

1. The term "subject data" used in this clause means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the contract. The term includes graphic or pictorial delineation in media such as drawings or photographs; text in specifications or related performance or design-type documents; CDs or flash drives (thumbdrives) containing data; and any other information retained in computer memory. Examples include, but are not limited to: computer software, engineering drawings and associated lists, specifications, standards, process sheets, manuals, technical reports, catalog item identifications, and related information. 2. Unless the Federal Government later makes a contrary determination in writing, irrespective of the SUBRECIPIENT status (a large business, small business, state government or state instrumentality, local government, nonprofit organization, institution of higher education, individual), the Purchaser and the SUBRECIPIENT agree to take the necessary actions to provide, through the federal funding agency, those rights in that invention due the Federal Government as described in the U.S. Department of Commerce regulations, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," 37 C.F.R. Part 401.

XIX. Covenant Against Contingent Fees

The SUBRECIPIENT warrants that it has not employed any person to solicit or secure this Contract upon any agreement for a commission, percentage, brokerage or contingent fee. Breach of warranty shall give the Contracts Officer the right to terminate this Contract or, in his discretion, to deduct from the Contract price or consideration the amount of such commission, percentage, brokerage or contingent fees. This warranty shall not apply to commissions payable by the SUBRECIPIENT upon contracts or sales secured or made through a bona fide established commercial or selling agency maintained by the SUBRECIPIENT for the purpose of securing business.

XX. Insurance Requirements

- A. SUBRECIPIENT shall obtain, and at all times keep in effect, Commercial General Liability Insurance in the amounts listed below for its activities and operations. The insurance shall include coverage for personal injury, discrimination and civil rights violation claims. All such insurance shall name MWCOG and Prince George's County and/or its individual members, their employees and agents as ADDITIONAL INSURED for all coverages.

XXII. Severability

It is understood and agreed by the parties that if any of these provisions shall contravene, or be invalid under, the laws of the particular state, county or jurisdiction where used, such contravention or invalidity shall not invalidate the whole agreement, but the Contract shall be construed as of not containing the particular provision or provisions held to be invalid in the said particular state, county or jurisdiction and the rights and obligations of the parties shall be construed and enforced accordingly.

6. In the event that information collected or stored by or through the survey, website or other data collection shall be stolen or handled incorrectly, the party(ies) working with COG on the PROJECT shall be responsible for any required notification to persons who have entered personal information in that system and all costs related thereto.
7. The PROJECT documents shall provide that other parties working with COG on the survey, website or other data collection or storage shall indemnify COG with at least the following commitment:

8. At the end of the project or contract, any personal or confidential information shall be given to COG or destroyed, and a certification of destruction provided to COG by the SUBRECIPIENT or other party.

XXVI. COG's Policies and Procedures

When federal law, or any grant conditions, certifications or assurances require COG to utilize competitive procurement procedures for selection of a SUBRECIPIENT, COG's policies and procedures shall govern every aspect of the SUBRECIPIENT selection process, e.g., the solicitation, evaluation, award, and post-award process (including, without limitation, any protest of an award, and the terms and conditions under which a contract may be approved, executed and administered). Any SUBRECIPIENT and potential SUBRECIPIENT will be provided with a copy of such policies and procedures, on request.

XXVII. COG's Information Technology Policy

XXIX. Additional Requirements

In addition to the terms and conditions expressly referenced in this Contract, the SUBRECIPIENT acknowledges and agrees that the terms and conditions of any federal or state grant that provides funding for this Contract, in whole or in part, shall apply to and shall govern the parties' rights and obligations under this Contract and shall be deemed additional terms, conditions and requirements of this Contract.

XXX. DBE Assurance

The SUBRECIPIENT or _____ shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. The SUBRECIPIENT shall carry out applicable requirements of 49 C.F.R. Part 26 in the award and administration of USDOT-assisted contracts. Failure by the SUBRECIPIENT to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as the COG deems appropriate.

XXXI. Audits

Per the Enhanced Mobility Circular, COG as the Designated Recipient for Enhanced Mobility funds will collect A-133 audit reports from the SUBRECIPIENT receiving more than \$750,000 in federal funds. (COG, as the prime recipient of the federal award, must also report its own executive compensation data by the end of the month following the award if the same criterion noted above is met.)

XXXIII. Priority of Requirements

In the event of a conflict between or among any of the terms, conditions and requirements applicable to this Contract, the conflict shall be resolved by giving weight in accordance with the following priorities, in the order as stated below:
