

**RFP 22-004 - MOBILE COVID-19 TESTING FACILITIES
ADDENDUM 1**

This addendum answers questions submitted by the January 26, 2022 deadline. Answers are in **BOLD**.

1. Can you provide an estimated number of tests needed per week for the COG participating areas? Either per participant or as a whole?
 - a. **No estimate can be provided at this time. The intent of the RFP is to establish sites on an as-needed basis in response to rising needs.**
2. Can you provide a number of testing sites that will need to be deployed?
 - a. **No estimate can be provided at this time. The intent of the RFP is to establish sites on an as-needed basis in response to rising needs.**
3. Will the selected vendor be responsible for billing individual payers, such as insurance companies or Medicare/Medicaid?
 - a. **In some cases, yes. Proposers should include plans for both individual billing and for billing the Participating Agencies / jurisdictions depending on the needs of the particular testing site.**
4. Our product is a Rapid Antigen test, are you accepting quotes for any products other than PCR tests?
 - a. **As per the RFP IV.A.2., and other places, options for other forms of testing to be conducted at the facilities may be provided as an option.**
5. What is the start date expected?
 - a. **As per the RFP V.A., the period of performance shall begin following the execution of an awarded contract. Individual test sites will be stood up on an as-needed basis.**
6. Attachment E (Cooperative Purchasing Program Rider Clause) is not listed on required, that will be filled out later if that applies but not needed/required in this Proposal submission?
 - a. **As per the instructions in Attachment E, the Rider Request Form will be filled out by Participating Agencies on an as-needed basis.**
