

**RFP 24-003 – AUTOMATED LICENSE PLATE READERS
ADDENDUM 1
Q&A**

This addendum answers questions submitted by the September 20, 2023 deadline for questions. Due to the delay in providing answers, the due date for proposals has been extended to **October 11, 2023**.

Questions are in bold, **Answers** are in red.

1. **If a vendor is excluded from this contract, can participating entities still purchase from the vendor?**
 - a. Yes, but they will have to follow their internal procurement procedures and may have to issue their own solicitations.
2. **Do the entities represented by COG have preferred local DBEs?**
 - a. In some cases they may have local preferred DBEs; in such cases it would be indicated in a specific task order.
3. **Will task orders be separated for fixed versus mobile ALPRs?**
 - a. It is possible, but individual task orders issued may include both.
4. **Will COG be looking for a Proof of Concept prior to the award, and what will the award process look like?**
 - a. A Proof of Concept is not required at this time. Individual task orders may require a proof of concept to address specific local conditions.

The proposals will be reviewed by a technical selection committee, and qualifying vendors will be awarded contracts as part of this solicitation, as described in Section XIV of the RFP.
