Questions/**Answers**

- 1. The Proposal Response Form indicates that Attachment B and an Insurance Acord Form are both to be included in the proposal submission, however they are not mentioned in Section XIV - Proposal Requirements. Can you confirm where in the submission these are to be included, and if they are to be included in Files A, B, or C, if the maximum page requirement can be increased to accommodate these requirements?**

Include in File B. No increase in file size is needed.
