

DC Weather Line

Call for your daily air
quality and weather
forecast

202-589-1212

The Metropolitan Washington Council of Governments and Clean Air Partners are sponsors of the DC Weather Line. Call the DC Weather Line to get daily air quality and weather forecasts. Forecasts are updated multiple times a day to provide the most timely and accurate information.

The DC Weather Line also provides additional features such as traffic conditions, wake up calls, and sports scores.
