- FY 2016 UASI Status
- SAA Support to Subrecipients

FY 2014 UASI

**FY 2014 UASI period of performance was
September 1, 2014–August 31, 2016**

- FY2014 UASI award amount was **\$53,000,000**
- All subawards are currently in closeout. Most ended 5/31/2016
- SAA will complete liquidation and close out the grant with FEMA by **11/29/2016**
- Currently approximately **98.7%** of the award is expended
 - SAA will draw down the remainder in final liquidation

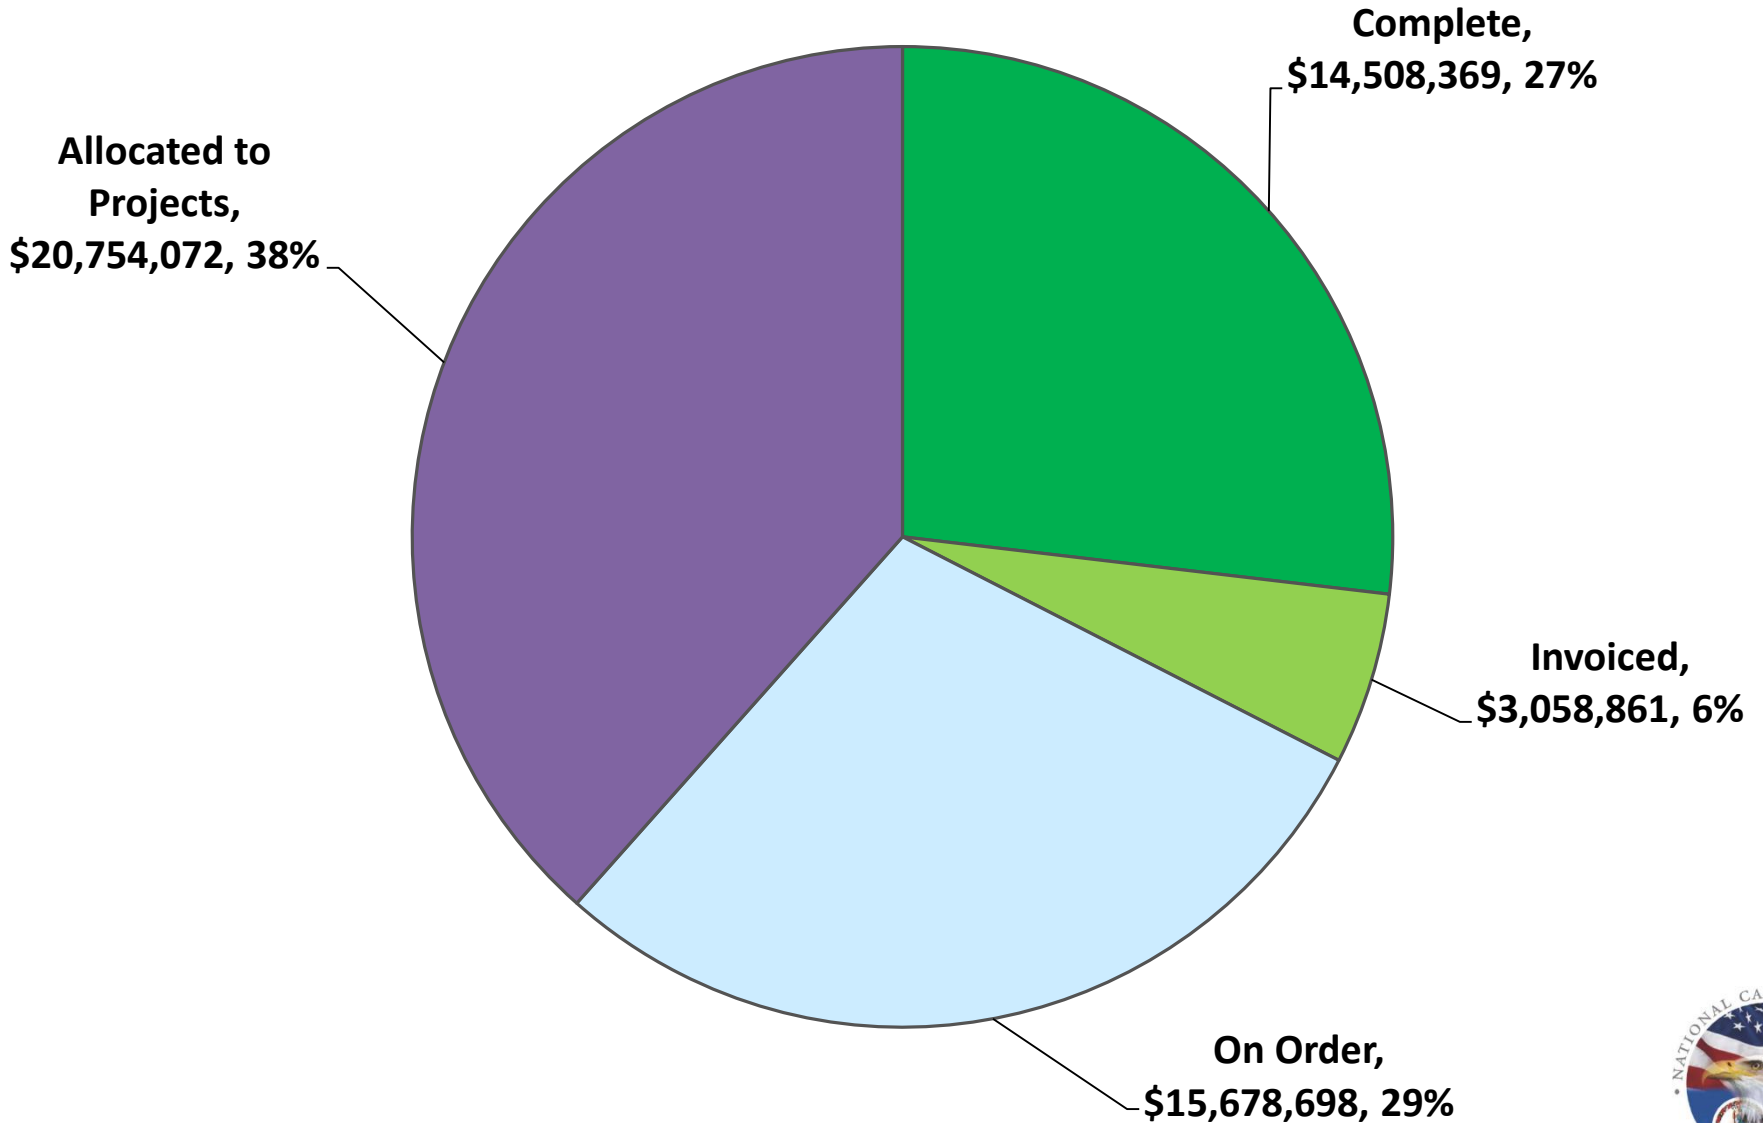

FY 2015 UASI

FY 2015 UASI period of performance is September 1, 2015–August 31, 2018

- FY2015 UASI award amount is **\$54,000,000**
- Most sub-awards were issued with a **9/1/2015 – 5/31/2017** period of performance (21 months) unless otherwise required
- Currently approximately **32.5%** of the award is expended, with 27% fully reimbursed to subrecipients
- Final year of grant period is reserved for reprogramming as needed

FY 2015 UASI

FY 2016 Grant Awards

**FY 2016 UASI period of performance is
September 1, 2016–August 31, 2019**

- SAA issued most subawards in mid-late September
- Most subawards were issued with a period of performance of **9/1/2016 – 5/31/2018** (21 months) unless otherwise required.
- Final year of the grant is reserved for reprogramming of unspent amounts.

2016-2017 SAA Support

- SAA staff can provide 1:1 training for subrecipients who have new program or financial staff
 - Project management plan / quarterly reporting
 - Assistance with NCRGMS accounts, use, or reimbursements
 - Assistance with CGMS/SharePoint accounts or use
- SAA will continue to publish training documents and policy updates / announcements on HSEMA website and via email distribution
- SAA staff will perform several monitoring visits in 2017, specifically prioritizing:
 - Subrecipients not visited in 2016
 - Subrecipients with new staff or programs
 - Subrecipients with corrective actions from prior year needing follow-up
