- **BEEAC Meeting** – January 21, 2016
- **CEEPC-MWACQ Joint Meeting** – January 27, 2016

GHG Regional Emissions Inventory Workshop

12:15 – 1:15 pm

DEP Conference Room

COG's effort to create a standardized regional approach to track GHG emissions has been finalized. As a follow-up to the October presentation, Madison Wagner will review the ClearPath platform and the methodology for the established approach. The purpose of the workshop is to help jurisdictions continue to use a standard methodology across the region.

Madison Wagner, COG Intern
