

## 2021 POSTER CONTEST

**Small changes by many = Large changes for our future**  
by Logan Jones 11 yrs old from Severna Park Middle school

**Every extra step you take, a better world it will make**  
By Anna Newman 13yrs old from Benjamin Tasker Middle School in Bowie MD

**Help Clean Air Partners spread the word about  
reducing air pollution and the impacts of climate change!**

This competition is sponsored by Clean Air Partners, in conjunction with the Metropolitan Washington Council of Governments and the Baltimore Metropolitan Council. The purpose of the poster contest is to engage students and educators to study and actively pursue solutions to air pollution and climate change.

Clean Air Partners invites **students in grades 4-8** to email a picture of their creative poster that brings to light the solutions to air pollution and climate change and inspires people to take actions to improve our region's air quality. Some example topics include:

- Health effects of air pollution.
- The Air Quality Index as an education tool.
- Alternatives to fossil fuels to reduce air pollution
- Ways to reduce ground-level ozone and air pollutants.
- Increasing energy efficiency to combat climate change.
- Alternative transportation such as biking to work, teleworking, etc.
- "Green Jobs" related to air quality and climate change.
