 Provide specific topics or areas of discussion (Optional): Drop Down List
 - b. Efficiency Drop Down List
 Provide specific topics or areas of discussion (Optional): Drop Down List
 - c. Benchmarking Drop Down List
 Provide specific topics or areas of discussion (Optional): Drop Down List
 - d. Energy Infrastructure Finance Drop Down List
 Provide specific topics or areas of discussion (Optional): Drop Down List
 - e. Alternative Fuel Vehicles/EVs Drop Down List
 Provide specific topics or areas of discussion (Optional): Drop Down List
 - f. Smart Grid Drop Down List
 Provide specific topics or areas of discussion (Optional): Drop Down List
 - g. Microgrids Drop Down List
 Provide specific topics or areas of discussion (Optional): Drop Down List
 - h. Energy Resiliency Drop Down List
 Provide specific topics or areas of discussion (Optional): Drop Down List
 - i. Energy Storage Drop Down List
 Provide specific topics or areas of discussion (Optional): Drop Down List
 - j. Utility Programs Drop Down List
 Provide specific topics or areas of discussion (Optional): Drop Down List

k. Cooperative Purchasing	Provide specific topics or areas of discussion (Optional):	
l. High Performance Buildings	Provide specific topics or areas of discussion (Optional):	
m. List others, if any:		
8 What issues or topics should BEEAC focus on in FY2016?		Drop Down List
a. Solar	Provide specific topics or areas of discussion (Optional):	
b. Efficiency	Provide specific topics or areas of discussion (Optional):	
c. Benchmarking	Provide specific topics or areas of discussion (Optional):	
d. Energy Infrastructure Finance	Provide specific topics or areas of discussion (Optional):	
e. Alternative Fuel Vehicles/EVs	Provide specific topics or areas of discussion (Optional):	
f. Smart Grid	Provide specific topics or areas of discussion (Optional):	
g. Microgrids	Provide specific topics or areas of discussion (Optional):	
h. Energy Resiliency	Provide specific topics or areas of discussion (Optional):	
i. Energy Storage	Provide specific topics or areas of discussion (Optional):	
j. Utility Programs	Provide specific topics or areas of discussion (Optional):	
k. Cooperative Purchasing	Provide specific topics or areas of discussion (Optional):	
l. High Performance Buildings	Provide specific topics or areas of discussion (Optional):	
m. List others, if any:		
9 What would you like to see implemented this FY that would better support your needs?
