 Tony Storck, MAA, Subcommittee Chair
- 2. Update on Aviation Policy Committee**
 George Nichols, COG/DEP
 Staff will update the Subcommittee on Aviation Policy Committee related activities.
- 3. 2009 Washington-Baltimore Regional Air Passenger Survey**
 Abdul Mohammed, COG/DTP
 Clara Reschovsky, COG/DTP
 The Subcommittee will be briefed on the forthcoming regional air passenger survey, including the project scope, schedule, and survey questionnaire.
- 4. Washington-Baltimore Regional Ground Access Forecasts Update**
 Abdul Mohammed, COG/DTP
 In January, staff distributed a draft report containing draft ground access forecasts developed using data from the 2007 Washington-Baltimore Regional Air Passenger Survey. Staff will present revised data tables based on updated household and employments forecasts and review how these revised data will be used to update the ground access forecasts.
- 5. Ground Access Element Update**
Tim Canan, COG/DTP
 Staff will review the proposed scope and schedule for the next update of the Ground Access Element of the Regional Air System Plan, integrating latest data from the 2007 air passenger survey, ground access forecasts, and proposed projects and programs in the region’s long-range transportation plan. Subcommittee members will be asked to provide comments on the draft scope and schedule.
- 6. Regional Aviation Statistics**
 Abdul Mohammed COG/DTP
 Staff will report on key regional trends identified from recent aviation statistics compiled from each of the region’s three large commercial airports.
