\*All projects are included in approved local plans and/or supported by the local government. Although some have been funded for study, none have received a full funding commitment.  
 \*\*Additional Funding requested\* reflects additional funds that will be needed during the coming fiscal year, beyond any amount already allocated. \*N\* is not funded, \*P\* is partially funded.  
 \*\*\*Known funding allocated in recent years. May not include previous funding for related but separate project on the same facility.  
 \*\*\*\*May not include future costs for related but separate projects on the same facility.  
 \*\*\*\*\*Costs are in FY 2014 dollars. Inflation may increase nominal total cost.  
 \*\*\*\*\*No projects from the December 2008 list subsequently received full funding.
