- **TPB agenda item 9 – Bus Transformation Project: Action Steps**
In February and June, the board was briefed on the Bus Transformation Project and its goal to create a bold new vision and a collaborative action plan for the future of bus in the region. The project published its final strategy in September and has now published a set of action steps for implementation of those recommendations. Lora Byala, from the project team, provided an overview of the recommendations and priority action steps.
