

ASSEMBLY OF LIST OF RECENT TRANSIT ON-BOARD SURVEYS

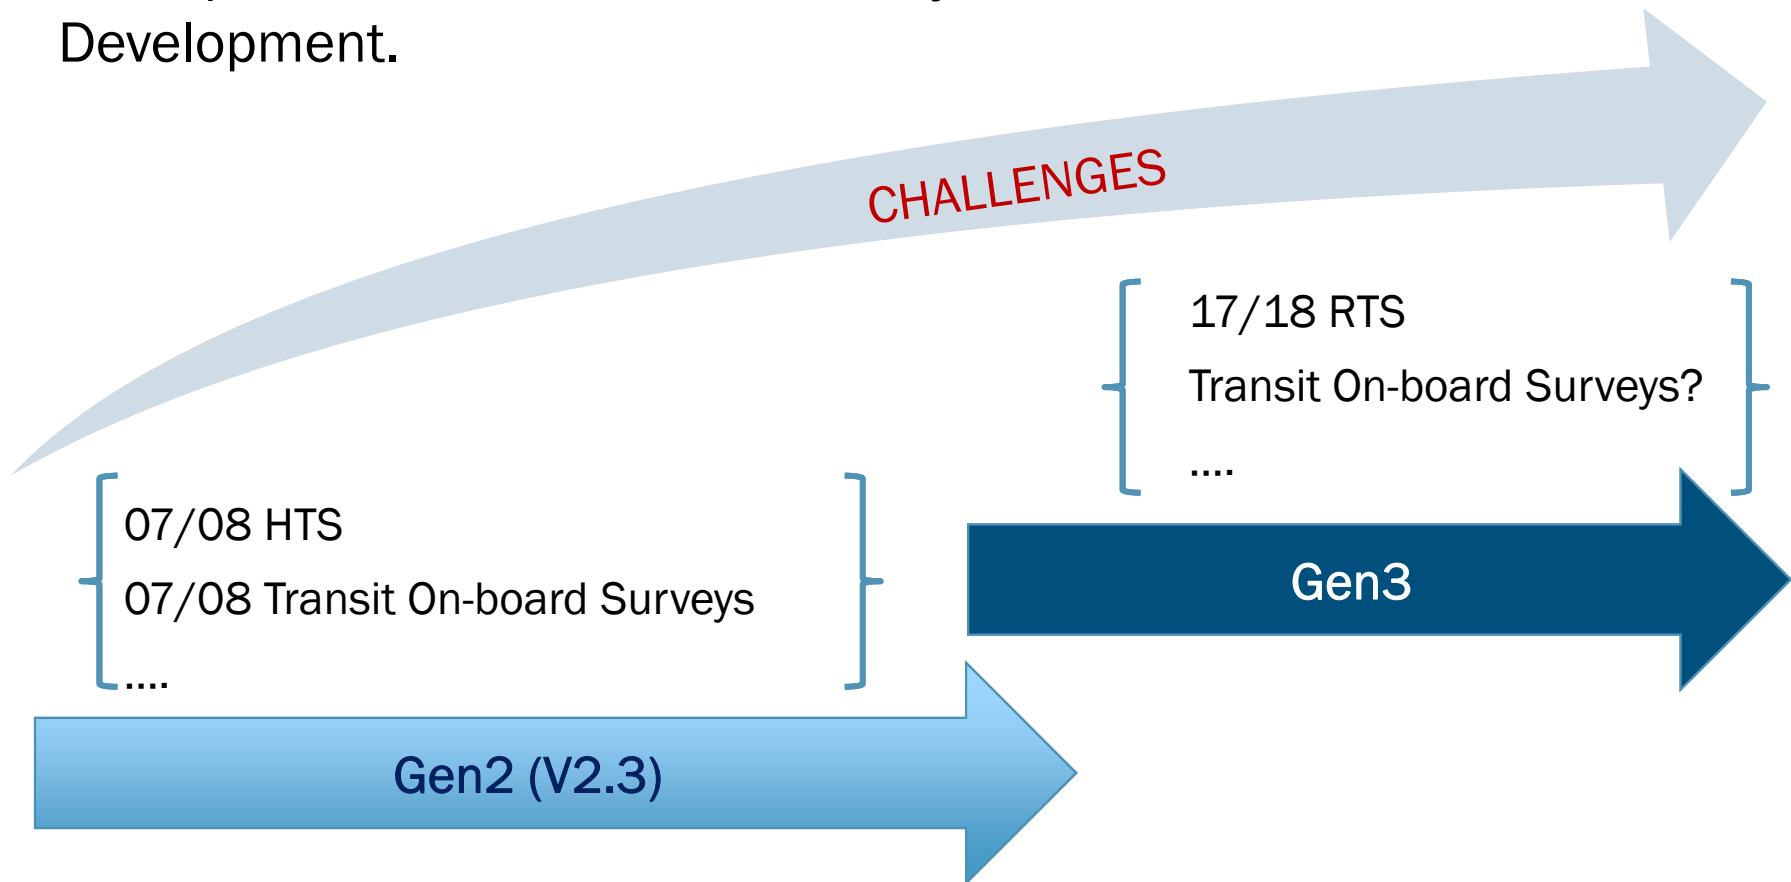

Ray Ngo
Senior Transportation Engineer

Travel Forecasting Subcommittee
January 24, 2020

Goals of the effort

- To know which recent transit on-board surveys are available for this region.
- To help decide which data in which year would be utilized for Gen3 Model Development.

Survey Information

- 24 transit agencies in the Washington, D.C. area (COG/TPB Modeled Area).
- Request method: Email to the TPB Regional Public Transportation Subcommittee (RPTS) mailing list and some additional transit agencies.
- Asked basic survey information: Survey name, survey year, survey availability (y-n).

Agency	Abbrev.	Services	State	Survey Name	Survey Year	Survey Coverage	Survey Availability (yes -y; no -n)

Responses and next steps

- Responses: Up to now, 13 responses from most bigger agencies and some smaller.
- Next steps:
 - Follow-up with a few agencies if necessary.
 - A final list of recent transit on-board surveys, which might be shared with interested parties.
 - Discuss with RSG and decide which data we would request to have.
 - Request the data and do some checking.

Acknowledgements

- Mark Moran, Feng Xie, Matthew Gaskin, Eric Randall, TPB staff.
- Transit agencies participating in the survey.
