

Charles County

PROGRESS

[x] The existing county-wide transportation plan allowed cohort members to extract a lot of data which was disaggregated by race. Cohort members were able to identify meaningful feedback and data from community stakeholder surveys, which they plan to continue.

[x] The Board of County Commissioners is aware of the cohort's proposed recommendations and has included this in the proposed budget for Planning Growth Management.

PROJECTS

- Improve public transit system and services** - since residents don't have a metro or subway system, the cohort is focusing on improving its public transit system. The county currently has VanGO which has 16 routes that covers the entire county. 78% of ridership are people of color and the county is becoming majority people of color.
