

The seal of Georgetown University is a circular emblem. It features a central eagle with its wings spread, perched on a shield with vertical stripes. Above the eagle is a lyre. The eagle holds a scroll in its beak with the motto "UTRAQUE UNUM". The shield is supported by a figure. The entire seal is surrounded by a laurel wreath. The Latin text "SIGILLUM UNIVERSITATIS GEORGETOWNIANAE" is inscribed around the perimeter of the seal.

UNIVERSITY

Georgetown University has been focused on fossil fuel divestment in recent years.

Georgetown's Socially Responsible Investing (SRI) Policy endorses four main strategies.

- 1) Alignment – “Do No Harm”
- 2) Integration – “Lean to the Positive”
- 3) Engagement – “Constructive Dialogue”
- 4) Impact – “Promote the Common Good”

We have learned some key lessons in the first few years of this work.

- 1) Engage community members.
- 2) Use all tools available.
- 3) You can get started without a formal policy in place.
