# American Recovery & Reinvestment Act Regional Information Center

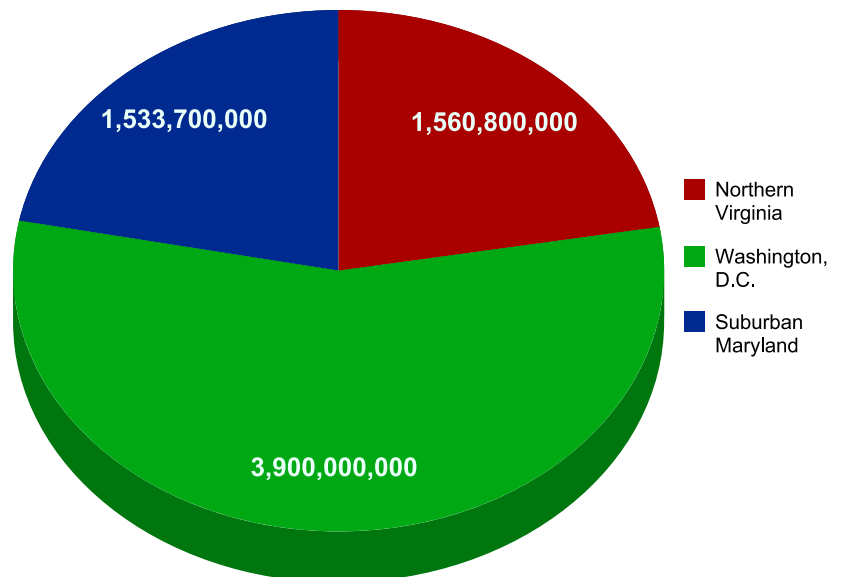

**July 2010 Funding Update:** Total stimulus spending has reached roughly \$378 billion, according to the latest numbers from Recovery.gov, released on April 9. That number includes \$215 billion in spending and an estimated \$163 billion in tax cuts. The tax-cut figure was recently adjusted upward by the Office of Tax Analysis. In total, over 47 percent of the roughly \$800 billion stimulus package has entered the economy.
