

Proposed Additions to the Control Measures Lists from OTC

New Measures for Master Lists (also Candidates for Priorities List)

Distributed Generation Rule
Peaking Unit Controls
Home Heating Oil Standards
OTC AIMs Phase II
RACT Update (Cement Kilns)
RACT Update (Refineries)
RACT Update (MSW Combustors)

Measure on the Master List to be Considered for Placement on the Priorities List

Regional Fuels Initiative*
ICI Boiler Standards*
CAL LEV II
OTC Consumer Products Phase II
Regional Open Burning Restrictions
Expand Stage I Vapor Recovery to Upwind
Residential Wood Burning Initiative

Notes:

RFG measure becomes the OTC Regional Fuels Program. RFG was removed from Master List, but should be added back on.

OTC Small NOx Source Model Rule becomes the ICI Boiler Standards.
