A G E N D A

1. 10:00 AM **Welcome & Introductions**
2. 10:05 AM **Discussions of the Traffic Signal Power Backup System**
 - a. **Funding Opportunities Discussions**

The committee discussed different funding options for the installation and maintenance of power backup systems for traffic signals at last meeting. This time, the committee will make a decision on UASI-related funding applications. The committee will also discuss how to report back to the IMR Steering Committee in September.
 - b. **June 29 Storm and Its Impact on Traffic Signals**

The committee will discuss the June 29 storm and the impact on traffic signals. Given that a large number of signals experienced power outages, participants from different agencies will talk about their plans of restoring power back to those signals.
3. 11:05 AM **Briefing on the Fourth of July Traffic Operations Plans**

Participants will be invited to talk about Traffic Operations Plans for the Fourth of July from different agencies. Traffic conditions, coordination among different agencies/jurisdictions as well as lessons learned will be discussed.
