|----------|----|----------------------|--|
| 10:50 am | 5. | GREEN AIRPORTS | <i>Leah Boggs, MWCOG
Airport Representatives</i> |
|----------|----|----------------------|--|

Through increased energy efficiency strategies and cleaner approaches airports can make considerable environmental improvements in their daily operations. Not unlike other airports across the country, the airports in the Metropolitan Washington region are taking a closer look at ways to decrease their environmental impacts. Airport representatives will brief the Committee on their green sustainable and energy efficiency measures they have undertaken to date.

Requested Committee Action: The APC will be asked to provide guidance on developing an implementation strategy of best sustainable management practices for greener airports. These sustainable practices have the potential to provide reduced greenhouse gas emissions for the aviation sector.

11:10 am 6. UPDATE ON OTHER AIRPORT/AVIATION RELATED ACTIVITIES

- Reagan National and Dulles International Airport Activities
 - PART 150 IMPLEMENTATION
 - NOISE MONITORING SYSTEM
- Aviation Technical Committee Update
- Helicopter Noise
- State Aviation Updates
- FAA
