- 2:05 P.M. 6. OTHER AGENCY UPDATES AND DISCUSSION**

2:30 P.M. ADJOURN

SPEAKER BIOS

Kimberly Lucas

Gary Erenrich

Gary Erenrich is the Special Assistant to the Director in the Montgomery County Department of Transportation with primary responsibility for coordination with WMATA and MTA as well as regional planning at TPB. Gary Erenrich works closely with the County's Commuter Services, Master Planning, and both Capital Bikeshare and now dockless bikeshare. He has two engineering degrees from Northwestern University and a MBA from the University of Pittsburgh.

Darren Buck

Darren Buck is the Complete Streets Program Manager for the City of Alexandria, where he is responsible for bicycle, pedestrian, bikeshare, and trail planning and implementation programs. Previously, he worked with the DC Department of Transportation's bicycle program, and at the Federal Highway Administration. Darren has a Master's in Planning from Virginia Tech, and an MBA from the University of Maryland.

Laurel Hammig

Laurel Hammig works as a regional planner with the National Park Service in the National Capital Region office. She supports multi-modal transportation planning efforts throughout the NCR region. Before joining NPS, Laurel spent a decade working in transit and facility planning in Northern

Virginia. Laurel has a BA from the University of Mary Washington and a Master's Degree in Urban and Regional Planning from Virginia Tech.
