Navigation Improvements: New Filter Panel

New filter panel is accessible on all pages for you to view and edit your search criteria

The screenshot displays the United States Census Bureau website interface. At the top, the logo and search bar are visible, with the search term "health insurance texas" entered. The navigation bar includes "All", "Tables", "Maps", and "Pages", along with "Microdata", "Help", "FAQ", and "Feedback".

The new filter panel on the left is highlighted with an orange border. It features a funnel icon and "Filters (2)". Below this, there are two active filters: "Health Insurance" and "Texas", each with a lock icon and a "Clear all" button. A "Find a Filter" section includes a search input and a list of filter categories: "Codes", "Geography", "Surveys", "Topics", and "Years".

The main content area shows search results for "health insurance texas". It includes a summary card for "2019 American Community Survey 1-Year Estimates" with a value of "18.4% +/- 0.2% Without Health Care Coverage in Texas" and a "View Estimates" link. Below this is a "Tables" section with two entries: "S2701 | SELECTED CHARACTERISTICS OF HEALTH INSURANCE COVERAGE IN THE UNITED STATES" and "S2702 | SELECTED CHARACTERISTICS OF THE UNINSURED IN THE UNITED STATES".

On the right side, there is a map of the United States with Texas highlighted in green, and a "Texas Profile" section with text: "Texas has a land area of 261,193.9 square miles and a water area of 7,330.9 square miles. It is the..."

The screenshot displays the United States Census Bureau website interface. At the top, there is a search bar containing the text "total population washington dc" and a search icon. Below the search bar are navigation tabs: "All", "Tables", "Maps", and "Pages". The "Tables" tab is selected. To the right of the navigation tabs are links for "Microdata", "Help", "FAQ", and "Feedback".

On the left side, there is a sidebar with a "Filters (2)" section. It includes a "Clear all" button and two active filters: "Population Total" and "Washington city, District of Columbia". Below this is a "Find a Filter" section with a search bar and a list of filter categories: "123 Codes", "Geography", "Surveys", "Topics", and "Years".

The main content area shows "727 Results" and a "Download tables" link. Below this, there is a list of results. The first result is from the "Decennial Census" with the label "P1 | RACE" and a link to "View All 3 Products". The second result is from the "American Community Survey" with the label "DP05 | ACS DEMOGRAPHIC AND HOUSING ESTIMATES" and a link to "View All 20 Products". The third result is from the "Decennial Census" with the label "P2 | HISPANIC OR LATINO, AND NOT HISPANIC OR LATINO BY RACE".

On the right side, there is a table of data. The table has a "Label" column and a "Wash" column. The data is organized into a hierarchy: "Total:" followed by "Population of one race:", which includes "White alone", "Black or African American alone", "American Indian and Alaska Native alone", "Asian alone", "Native Hawaiian and Other Pacific Islander alone", and "Some Other Race alone".

An orange box highlights the filter sidebar, the table toolbar (which includes icons for Notes, 1 Geo, Years, 1 Topic, Surveys, Codes, Hide, Transpose, and More Tools), and the table content.

The screenshot shows the United States Census Bureau Advanced Search interface. At the top, there is a search bar with the text "Search" and a magnifying glass icon, followed by a link to "Advanced Search". Below the search bar is a navigation menu with links for "All", "Tables", "Maps", "Pages", "Microdata", "Help", "FAQ", and "Feedback".

The main content area is divided into two columns. The left column contains the "Advanced Search" section with a search input field containing "Table ID (e.g., DP05)", a "0 Filters" indicator with a help icon, a "Clear all" button, and a "Find a Filter" section with a search input and a list of filter categories: "Codes", "Geography", "Surveys", "Topics", and "Years". The "Geography" category is currently selected and highlighted.

The right column is titled "Select Geography" and contains two tabs: "Geographic Entities" (selected) and "Summary Levels". Below the tabs is a section titled "Most Commonly Used Geographies" which is highlighted with an orange border. This section contains a grid of nine buttons, each with a right-pointing arrow: "Nation", "State", "County", "Place", "Zip Code Tabulation Area", "Metropolitan Statistical Area", "Tract", "Block", and "Block Group". Below this grid is another section titled "All Other Geographies", also highlighted with an orange border, which contains a list of three items: "5-Digit Zip Code", "Alaska Native Regional Corporation", and "American Housing Survey Area".

At the bottom right of the interface is a large teal "SEARCH" button.

The screenshot shows the United States Census Bureau website interface. At the top, there is a search bar and navigation tabs for 'All', 'Tables', 'Maps', and 'Pages'. The 'Tables' tab is selected. Below the navigation, there are options for 'Microdata', 'Help', 'FAQ', and 'Feedback'. The main content area displays search results for 'P1 | RACE' under the 'Decennial Census' universe. A table of data is shown, with columns for 'Label', 'Montgomery County, Mar...', 'Fairfax County, Virginia', and 'Washington-Arlington-Ale...'. The table includes rows for 'Total', 'Population of one race' (with sub-rows for White alone, Black or African American alone, American Indian and Alaska Native alone, Asian alone, Native Hawaiian and Other Pacific Islander alone, and Some Other Race alone), and 'Population of two or more races' (with sub-rows for Population of two races and White: Black or African American).

Filtering: Simplified Lists for Geographic Variants

Geography lists are streamlined to only include one label that will provide data for all available variants

The screenshot shows the United States Census Bureau website interface. At the top, there is a search bar and navigation links for 'All', 'Tables', 'Maps', 'Pages', 'Microdata', 'Help', 'FAQ', and 'Feedback'. The main content area is divided into a left sidebar and a right main panel. The sidebar shows '3 Filters' with a 'Clear all' button and three active filters: 'Montgomery County, Maryland', 'Fairfax County, Virginia', and 'Washington-Arlington-Alexandria, DC-VA-MD-WV Metro Area'. Below the filters is a 'Find a Filter' section with a search input and a 'Codes' link. The main panel displays a breadcrumb trail: 'Metropolitan Statistical Area/Micropolitan Statistical Area / Select Metropolitan Statistical Area/Micropolitan Statistical Area'. It includes a toggle for 'Hide Geographics Components' and 'Show Geographics Components'. Under the heading 'Within other geographies', there is a list of metro areas with checkboxes. The 'Washington-Arlington-Alexandria, DC-VA-MD-WV Metro Area' is selected and highlighted with a red box. Other metro areas listed include 'Washington, IN Micro Area', 'Washington, NC Micro Area', 'Waterloo-Cedar Falls, IA Metro Area', 'Watertown, SD Micro Area', 'Watertown-Fort Atkinson, WI Micro Area', and 'Watertown-Fort Drum, NY Metro Area'. A 'SEARCH' button is located at the bottom right of the page.

Mapping: New Buttons
