The Honorable Bridget Donnell Newton, Chair
National Capital Region Transportation Planning Board
Metropolitan Washington Council of Governments
777 North Capitol Street, N.E., Suite 300
Washington DC 20002

Dear Chairman Newton:

The Maryland Department of Transportation (MDOT) requests to amend the State Highway Administration (SHA) portion of the National Capital Region Transportation Planning Board's (TPB) Fiscal Year (FY) 2017-2022 Transportation Improvement Program (TIP) for two existing projects as described below and in the attached memo. The change for both projects reflects MDOT's updated programmed congestion management expenditures from FY 2017 to FY 2022. As neither of these projects increases capacity, this action does not impact air quality conformity.

TIP ID#	Project	Phase	Amount of New Funding	Comment
3085	System Preservation Projects	PP/PE CO	\$1,600,000 \$13,800,000	Add funding for planning/ design and construction.
5420	MD 97 Montgomery Hills Study	PP/PE	\$1,176,000	Add funding for planning/ design.

MDOT requests that these amendments be approved by the Transportation Planning Board (TPB) Steering Committee at its June 2, 2017 meeting.

The revised funding status will not impact scheduling or funding availability for other projects in the current TIP, which continues to be fiscally constrained. The cost does not affect the portion of the federal funding which was programmed for transit, or any allocations of state aid in lieu of federal aid to local jurisdictions.

The Honorable Bridget Donnell Newton

PURPOSE OF MEMORANDUM

To request the Maryland Department of Transportation (MDOT) Office of Planning and Capital Programming approve and forward to TPB for its approval the following TIP amendments.

SUMMARY

The MDOT State Highway Administration (SHA) hereby requests amendment of the FY 2017-2022 TPB TIP to reflect the following two actions.

TIP	Project	Phase	New Funding
3085 MC #17-21 03/30/2017	Areawide Congestion Management	PP/PE CO	\$1,600,000 \$13,800,000
5420 MC #17-17 03/06/2017	MD 97 Highway Reconstruction, Silver Spring/Forest Glen	PP/PE	\$1,176,000

ANALYSIS

Areawide Congestion Management (TPB 3085 MC #17-21 03/30/2017) – This requested amendment reflects the addition of \$1,600,000 to planning/design and the addition of \$13,800,000 to construction funding in the FY 2017-2022 TPB TIP. MDOT SHA requests this amendment in order that the FY 2017-2022 TPB TIP reflect MDOT's updated programmed congestion management expenditures in FY 2017-2022.

MD 97 Highway Reconstruction (TPB 5420 MC #17-17 03/06/2017) – This requested amendment reflects the addition of \$1,176,000 to planning/design funding in the FY 2017-2022 TPB TIP. MDOT SHA requests this amendment in order that the FY 2017-2022 TPB TIP reflect MDOT SHA's updated programmed expenditures in FY 2017-2022. In addition, this requested amendment reflects a change in project name from "MD 97 Montgomery Hills Study" to "MD 97 Highway Reconstruction", as MDOT SHA now is funding design. MDOT anticipates beginning preliminary design in the Summer of 2017.

The attached Statewide TIP (STIP) reports document MDOT SHA's requested amendments with respect to funding for the above projects. The requested actions will not impact scheduling or funding availability for other projects in the current STIP, which remains fiscally constrained. The amended funding does not affect the portion of federal funding programmed for transit or allocations of state aid to local jurisdictions in lieu of federal aid.

In addition, the Maryland Transportation Trust Fund (TTF) remains fiscally constrained. The TTF supports State transportation system operation and maintenance, MDOT administration, debt service, and capital projects. Semiannually, MDOT updates revenues and expenditures using two national forecasting companies' latest economic estimates. MDOT published funding details in the FY 2017-2022 Consolidated Transportation Program (http://www.mdot.maryland.gov/Office_of_Planning_and_Capital_Programming/CTP/Index.html) and FY 2017-2020 Maryland STIP (http://www.mdot.maryland.gov/newMDOT/Planning/STIP_TIP/Documents/2017_STIP_Draft_053116.pdf).

Please amend the FY 2017-2022 TPB TIP and FY 2017-2020 Maryland STIP to reflect the funding information provided in the attachments. If you have any questions regarding Areawide Congestion Management (TPB 3085 MC #17-21 03/30/2017) or MD 97 Highway Reconstruction (TPB 5490 MC #17-17 03/06/2017), please contact Mr. Matt Baker, MDOT SHA Regional Planner, at 410-545-5668 or via email at mbaker4@sha.state.md.us.
