Automated Vehicles (CAV) principles. The draft principles were discussed at the September 10 TPB Technical Committee meeting, as well as at recent meetings of the Access for All Advisory Committee, the Community Advisory Committee, and the Systems Performance, Operations, and Technology Subcommittee. At the November 5 meeting, staff will present an updated draft set of CAV principles, also slated to be presented at the November 17 TPB meeting.

INFORMATION ITEMS

- 9:55 A.M. 6. RTS IN-DEPTH ANALYSIS**
Yu Gao, TPB Transportation Engineer
Ken Joh, TPB Transportation Planner
Nicole McCall, TPB Transportation Planner
- The Committee will receive the second of four briefings on in-depth research performed on the Regional Travel Survey (RTS). While sharing the preliminary results from the RTS, staff asked member jurisdictions and transit agencies, to submit lingering questions that the RTS might help inform. Staff analyzed geographic, temporal, and sociodemographic dimensions of travel in our region in response to the questions.
- 10:30 A.M. 7. BLUE ORANGE SILVER (BOS) LINE STUDY**
Mark Phillips, WMATA
- Metro staff will provide a progress update on the Blue/Orange/Silver Corridor Capacity & Reliability Study (BOS Study). Metro launched the study in 2019 to address several longstanding challenges in the BOS transit corridor, including capacity constraints, passenger crowding, reliability, and sustainability. Metro will describe the study process to date, stakeholder and public engagement, the six alternatives currently under consideration, and the results of a performance assessment/cost-benefit analysis of those alternatives.
- 10:55 A.M. 8. STREET SMART PEDESTRIAN AND BICYCLE SAFETY CAMPAIGN: FY 2021 RESULTS AND PLANNED ACTIONS FOR FALL 2021**
Michael Farrell, TPB Transportation Planner
- Staff will present the results of the FY 2021 Street Smart Pedestrian and Bicycle Safety Campaign, as detailed in the Annual Report, and the plan for the fall 2021 campaign wave.
- 11:15 A.M. 9. REGIONAL TDM RECOVERY MARKETING CAMPAIGN**
Nicholas Ramfos, TPB Transportation Operations Programs Director
- A recent regional Commuter Connections marketing outreach campaign to nudge commuters back into using alternative modes of travel and from work will be reviewed along with the results.
