

GSA Buildings and Leased Spaces and Draft Central Business Areas in MWCOG Region

Map created by COG staff. Shows spaces greater than 3,000 square feet in General Services Administration database. Leased space is shown in red, orange and yellow; GSA owned buildings are shown in blue. Leased space data was downloaded from <http://www.gsa.gov/portal/content/101840> in November 2016. Owned space database was given to COG by GSA staff in January 2016.
