

I-66 and I-395/95 Commuter Choice Program

Patricia Happ
NVTC Program Manager
RPTS Presentation
26 March 2019

Presentation Outline

- Overview
 - I-66 Commuter Choice Program
 - I-395/95 Commuter Choice Program

I-66 Commuter Choice Program

I-66 Program Overview

Transform 66 Inside the Beltway Partnership 40-year agreement between NVTC and the Commonwealth

NVTC's Role

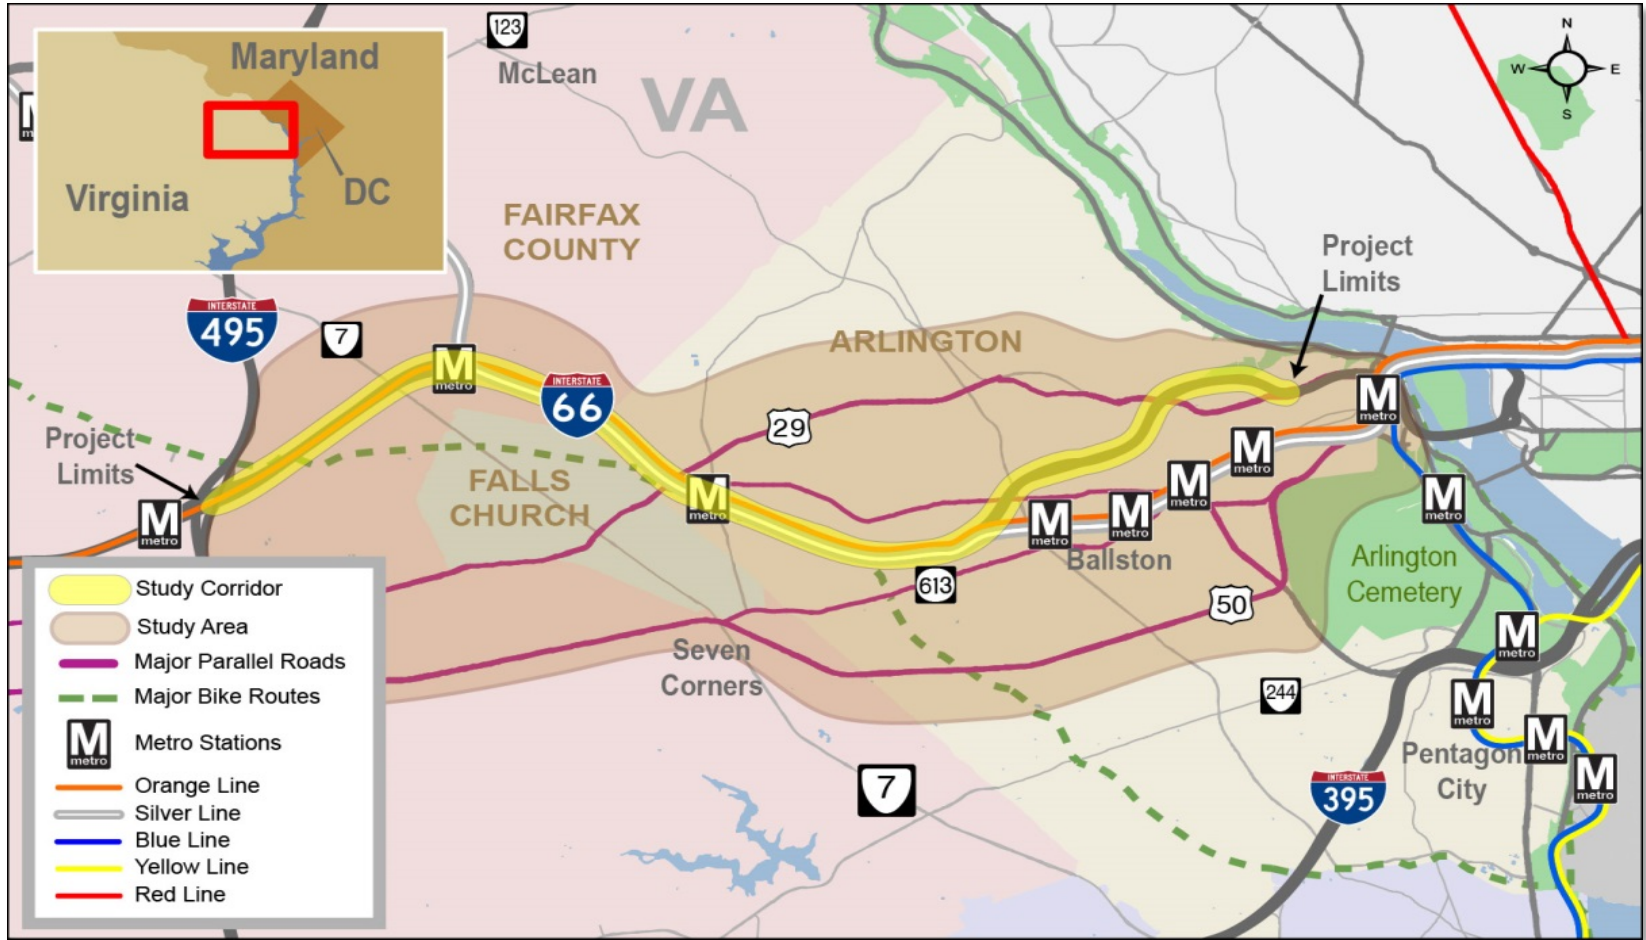

- Establish a selection process
- Plan and select multimodal improvements
- Issue grants to and coordinate with agencies to ensure efficient delivery
- Monitor effectiveness of projects
- Provide annual reports to the CTB
- Provide information to the public

Commonwealth's Role

- Widen I-66 eastbound between exits 67 and 71 (VDOT)
- Manage the design, construction, maintenance, and operations of I-66 Inside the Beltway toll facilities (VDOT)
- Approve NVTC's program of projects (CTB)

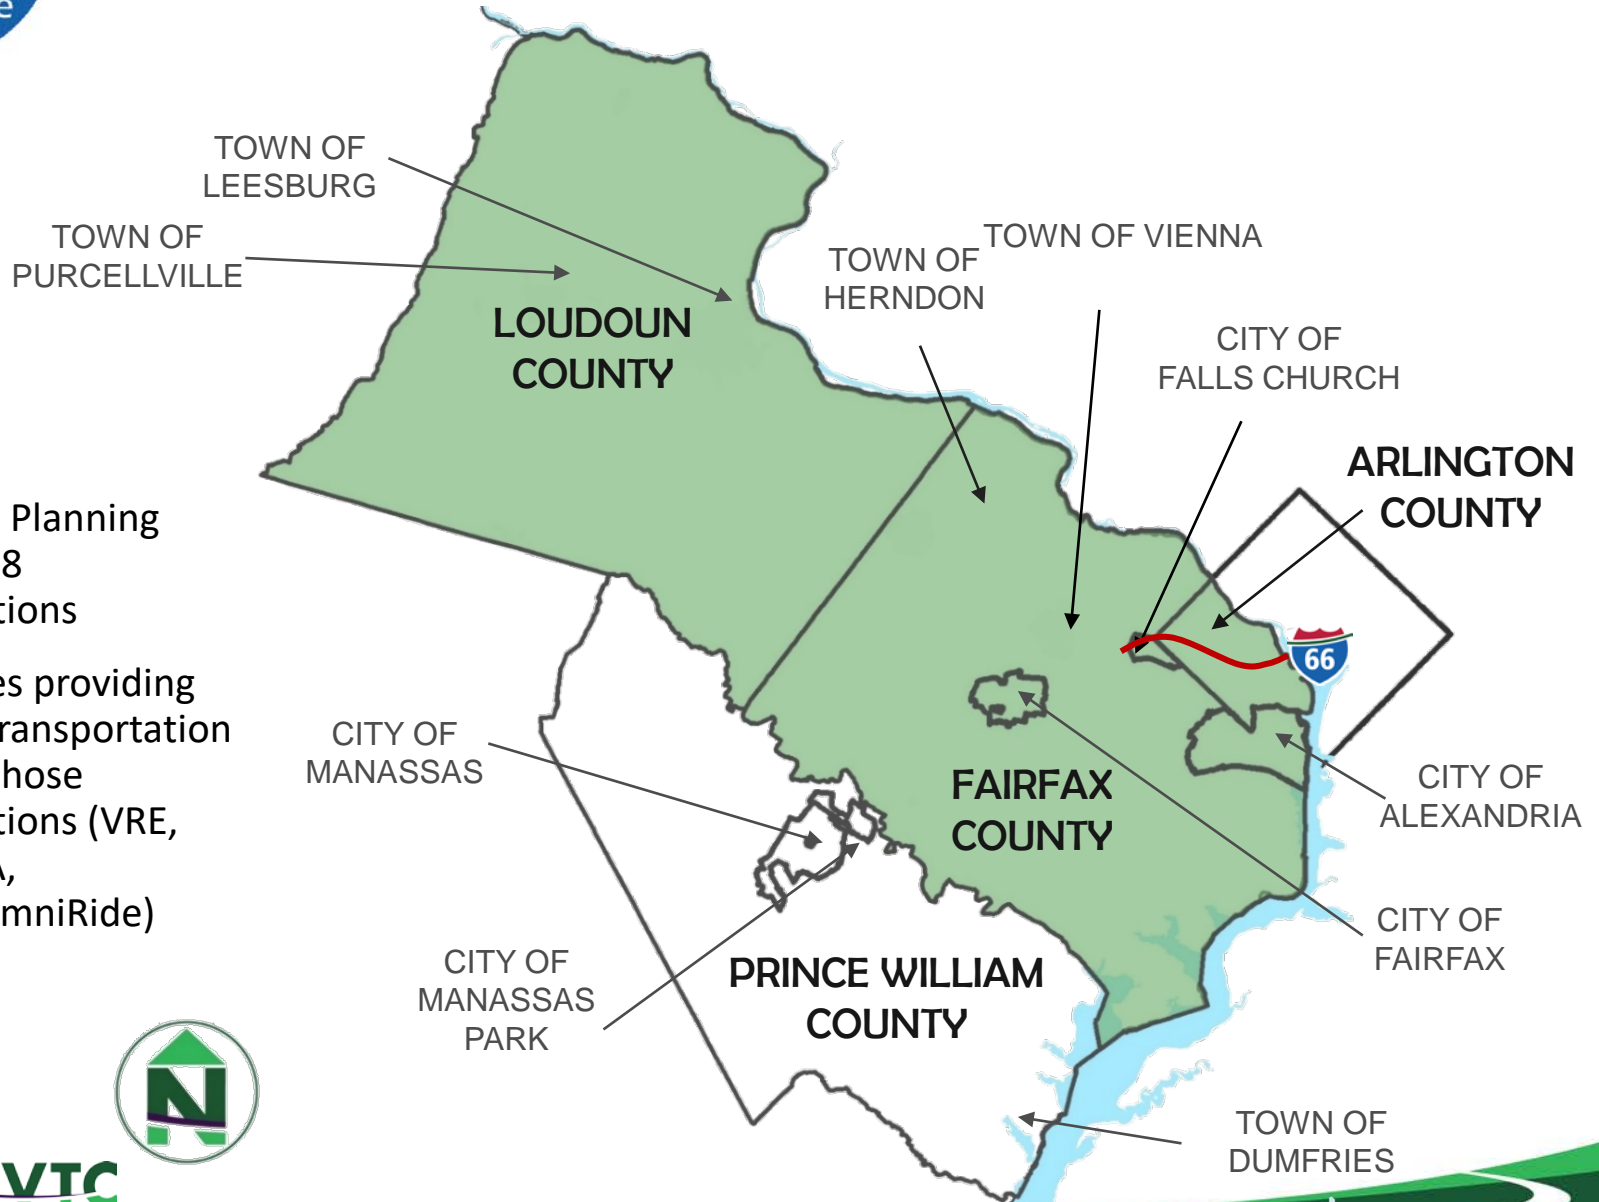

I-66 Project Area

I-66 Eligible Applicants

- ✓ Virginia Planning District 8 jurisdictions
- ✓ Agencies providing public transportation within those jurisdictions (VRE, WMATA, PRTC/OmniRide)

I-66 Program Goals

Move More People

Reduce Roadway Congestion

Increase Travel Options

Enhance Transportation Connectivity

Improve Transit Service

Eligible Project Types

New or enhanced local bus service

New or enhanced commuter bus service

Park & Ride Lot(s) and Access

Roadway Improvements (Corridor Management & ITS)

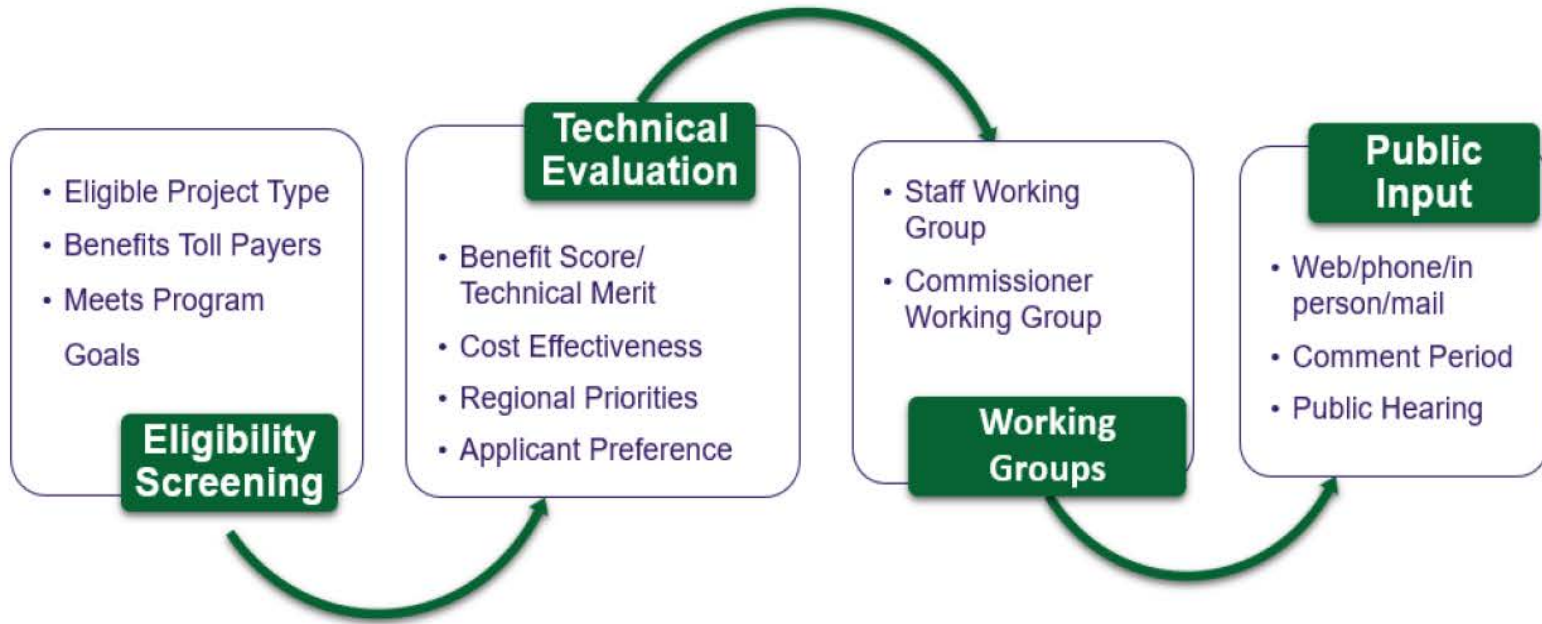

Transportation System Management / Transportation Demand Management

Vanpool / Carpooling

Project Selection Process

I-66 Commuter Choice Project Selection and Funding

- ✓ NVTC has funded \$22M in projects including park-and-ride lots, new bus services, bus stop improvements, bikeshare access to Metro, transit incentives, and traffic management tools.
- ✓ Initial program = \$10M
- ✓ FY 2019 program = \$12 M
- ✓ FY2020 program estimated to be approximately \$20 million

I-66 Commuter Choice FY2020 Eligible Project List

- 20 submitted projects
- \$32 million total funding request
- 8 applicants
 - Counties of Arlington, Fairfax, Loudoun, and Prince William
 - Cities of Fairfax and Falls Church
 - Town of Vienna
 - PRTC/OmniRide

I-66 Commuter Choice FY2020 Program Schedule

February	March	April	May	June

			Commonwealth Transportation Board	Commonwealth Transportation Board
Public Comment				

I-395/95 Commuter Choice Program

I-395/95 Program Overview

NVTC (with PRTC)

- Establish an application, scoring, and selection process
- Issue grants to and coordinate with agencies to ensure efficient delivery
- Monitor effectiveness of projects
- Provide opportunity for public input
- Develop program of projects for submission to CTB
- Provide annual reports to the CTB
- Support communication efforts of grantees and overall program

Agreement between Commonwealth and TransUrban

- Convert remaining 395 HOV to HOT (extension of existing 95/395 HOT lane facility)
- Total length: 37 miles
- 70 year agreement
- Annual Transit Investment (ATI) of \$15M/year + 2.5% annual escalation
- Tolling scheduled to begin Fall 2019

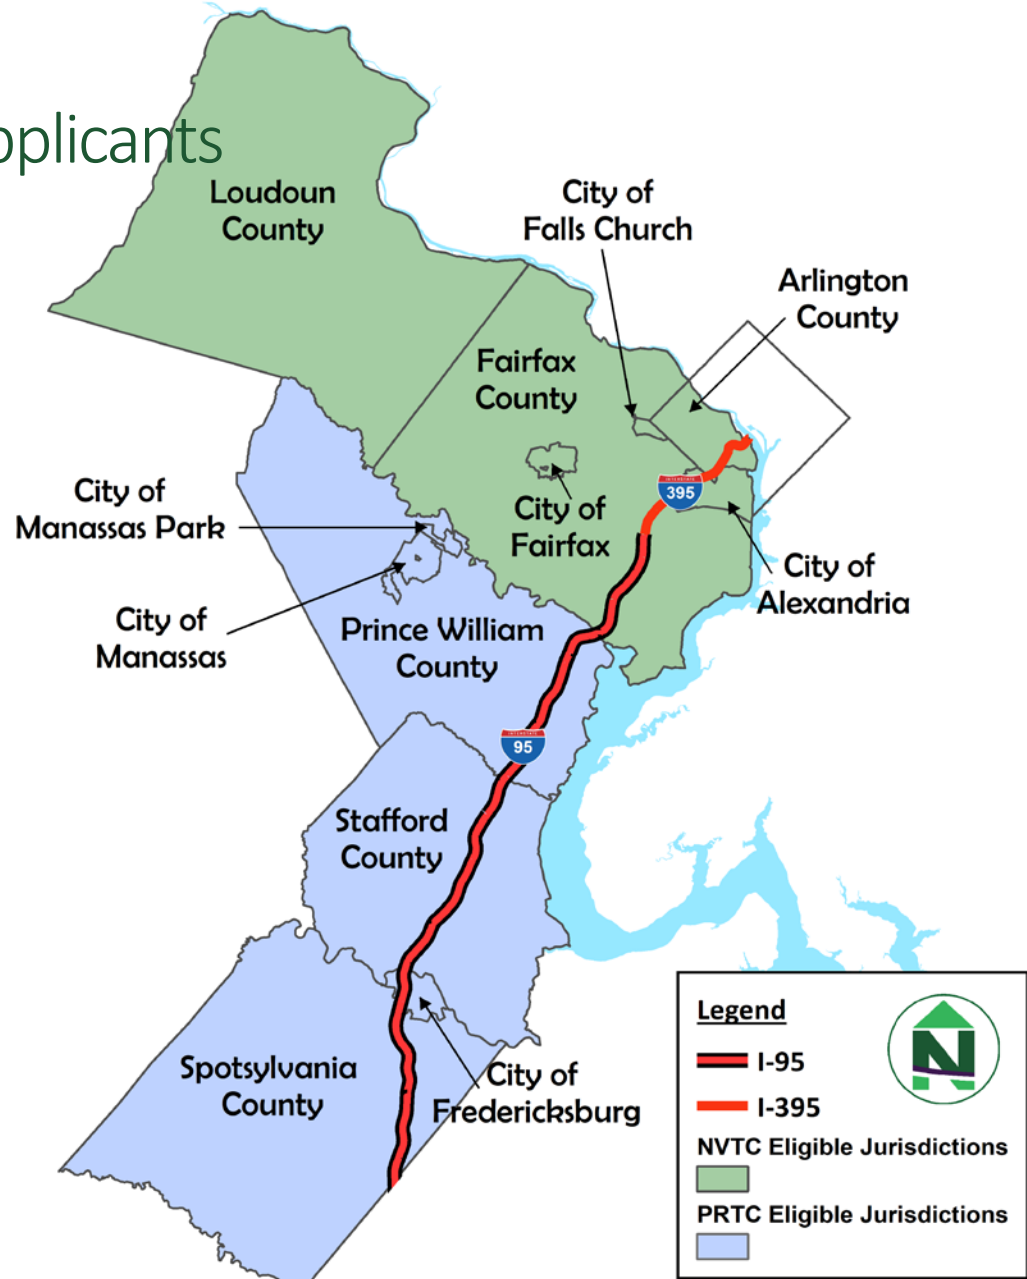

I-395/95 Project Area

I-395/95 Eligible Applicants

- (i) all jurisdictions that are members of either NVTC or PRTC, and
- (ii) other public transportation providers providing services in those jurisdictions

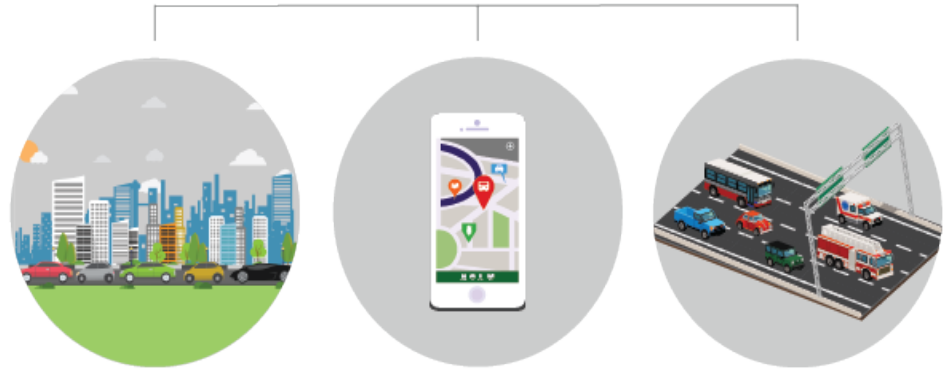

I-395/95 Improvement Goals

Maximize Person Throughput

Implement Multimodal Improvements

Improve mobility

Support new, diverse travel choices

Enhance transportation safety and travel reliability

Eligible Project Types

New or enhanced local bus service

New or enhanced commuter bus service

Park & Ride Lot(s) and Access

Roadway Improvements (Corridor Management & ITS)

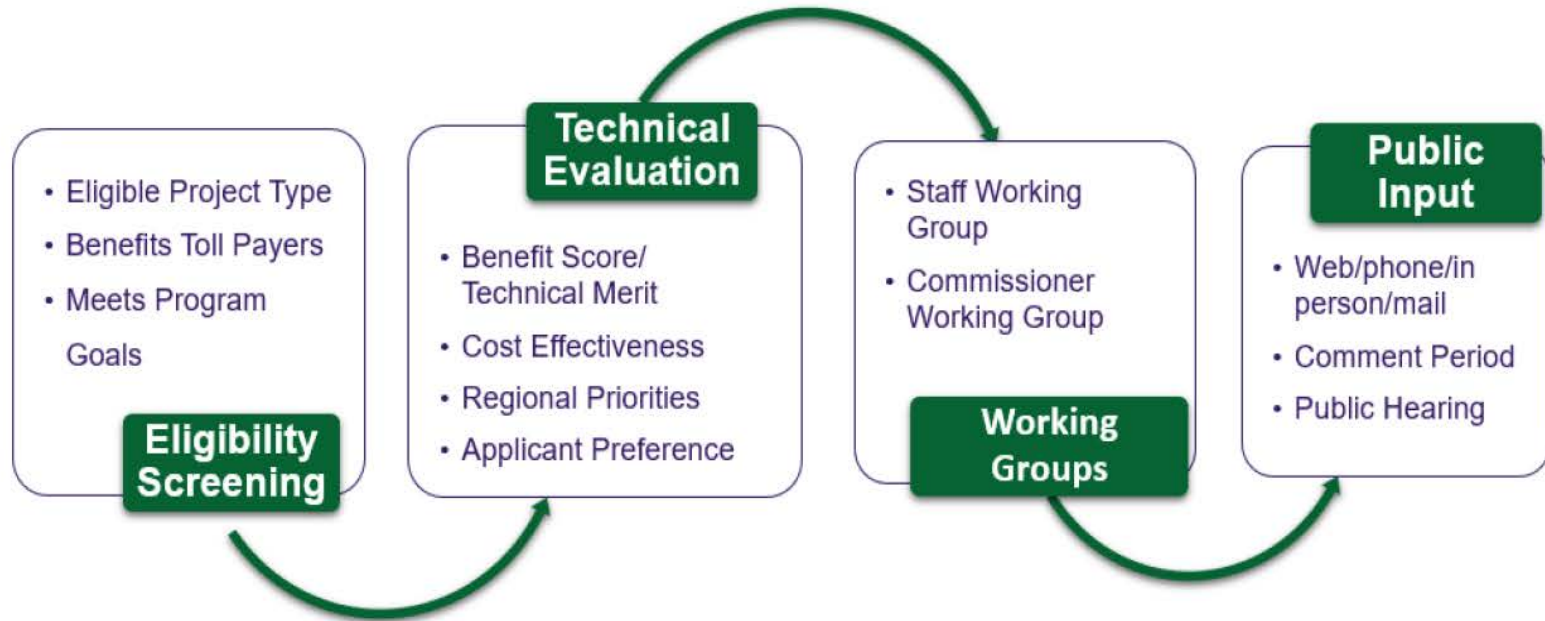

Transportation System Management / Transportation Demand Management

Vanpool / Carpooling

Project Selection Process

I-395/95 Proposed Inaugural Program Schedule

Winter 2019	Spring 2019	Summer 2019	Fall 2019
Briefings for Applicants, Commissions, and Working Groups	Application Process, Project Selection Process, and Call for Projects: NVTC Approval	Joint Commission Working Group	Public Meetings and Comment Period
	Call for Projects Application Period	Program Evaluation and Program Development	Joint Commission Working Group
			Program of Projects: NVTC and PRTC Approval
			Program of Projects: CTB Approval for Inclusion in SYIP
