Elizabeth Miller, Director, Physical Planning Division, NCPC

The National Capital Planning Commission is excited to share a new vision and draft concepts for Pennsylvania Avenue NW between the White House and the U.S. Capitol. The “Avenue as a Venue” is an inclusive, welcoming, and dignified corridor designed to put people first – an inspirational destination for civic expression. Three concepts imagine the Avenue as a street for people: uniquely prioritizing pedestrians, bikes, transit, and cars. Each concept explores ways to realign circulation, re-configure public space, achieve sustainability goals, and balance daily use of the street with event programming.
