

FOURTH ANNUAL ECONOMIC FORUM

The Annual Economic Forum will be held on **Thursday, October 20, 2020, 11:00am – 12:00pm (EDT)**.

This year has been a disruptive year for all of us and for the Washington region's economy. This forum will focus on this year's pandemic-induced recession, its recovery to-date, and the challenges for 2021 and beyond. Unfortunately, we will not be able to gather in-person this year and will be hosting this year's event via Zoom.
