TPB TECHNICAL COMMITTEE

AGENDA

Date: Friday, April 6, 2012
Time: 9:00 a.m.
Place: Training Center
777 N. Capitol Street, N.E.

- 9:00 1. **Welcome and Approval of Minutes from the March 2 Technical Committee Meeting**
.....Chairman Rawlings

ITEMS FOR THE BOARD AGENDA

- 9:10 2. **Briefing on Regional Bike to Work Day 2012**
.....Doug Franklin, DTP
The Committee will be briefed on regional Bike to Work Day events being organized at forty-nine locations in the region for Friday May 18. The TPB will be asked to approve a proclamation making May 18 Regional Bike to Work Day 2012.
- 9:25 3. **Briefing on Comments Received and Proposed Responses for Revising the Regional Complete Streets Guidance and Policy Template**
..... Michael Farrell, DTP
At the March 21 meeting, TPB members provided comments on a draft Regional Complete Streets Guidance and Policy Template after receiving comments from the Citizens Advisory Committee. The Committee will be briefed on comments received and proposed responses for revising the Guidance and Policy Template, and on the schedule for approving a revised document.
- 10:15 4. **Briefing on Household Travel Characteristics and Behavior in Six Focused Geographic Subareas of the Region**
..... Bob Griffiths, DTP
In Spring 2011, 2,400 households in six focused geographic subareas of the region were surveyed to obtain demographic information and travel data for more intensive analysis of specific growth and transportation issues. These subareas include Metrorail station areas, highway corridors with recent or planned major improvements, proposed light rail study areas, and regional activity centers with specific characteristics. The Committee will be briefed on comparisons of the household travel characteristics and behavior identified in different subareas of the region, and on the schedule for surveying additional subareas.
- 10:45 5. **Briefing on the Results of Recently Completed Projects under the Continuous Airport Systems Planning (CASP) Program**
..... Richard Roisman, DTP
The Committee will be briefed on the results of recently completed projects under the CASP program, including trends and forecasts for air passenger

originations and air cargo, and ground access travel times to the region's three airports.

- 11:15 6. **Update on Reauthorization of Federal Surface Transportation Legislation**
..... Ron Kirby, DTP
The Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) enacted on August 10, 2005 has been extended nine times since it expired on September 30, 2009, most recently through June 30, 2012. On March 15, 2012 the Senate approved MAP-21, a two-year reauthorization proposal. The Committee will be briefed on the likely schedule for further Congressional action.

ITEMS FOR INFORMATION AND DISCUSSION

- 11:25 7. **Briefing on 2010 Census Urbanized Areas in and Near the Washington Region**
..... Richard Roisman, DTP
The Committee will be briefed on the new geographic areas and populations of the urbanized areas in and near the Washington region based upon recently released 2010 Census data.

- 11:45 8. **Update on the Development of the TPB Regional Transportation Priorities Plan (RTPP)**
..... Ron Kirby, DTP
The TPB Regional Transportation Priorities Plan (RTPP) will use performance measures to identify regional challenges and potential near and long term strategies to address them. The Committee will be briefed on activities to date on the development of the priorities plan.

- 11:55 9. **Other Business**

- 12:00 10. **Adjourn**

Enclosures not referenced in the above agenda:

- February Progress Report
- Report of the Citizens Advisory Committee
