

TPB WORK SESSION ON CLIMATE CHANGE PLANNING IN THE NATIONAL CAPITAL REGION

Wednesday, October 21, 2020
10:30 – 11:55 A.M.
Virtual Meeting

DRAFT AGENDA

10:30 A.M. 1. WELCOME, CHAIR'S REMARKS, AND BACKGROUND

Kelly Russell, TPB Chair
Kanti Srikanth, TPB Staff Director

Ms. Russell will provide opening remarks. Mr. Srikanth will provide a review of TPB's work on climate change planning.

10:40 P.M. 2. 2030 CLIMATE ACTION PLAN AND GOALS

Steve Walz, COG Department of Environmental Programs Director

Mr. Walz will provide an overview of climate change planning activities in the National Capital Region and the new interim year (2030) greenhouse gas emissions reduction goal. He will also review transportation sector greenhouse gas reduction strategies being considered for the 2030 Regional Climate Action Plan.

11:10 A.M. 3. STATE DOT CLIMATE CHANGE PLANNING INITIATIVES

Colleen Turner, MDOT
Matthew Gaskin, DDOT
Jim Ponticello, VDOT

State DOT representatives will provide a brief overview of initiatives being undertaken to reduce greenhouse gas emissions from the transportation sector.

11:25 A.M. 4. TRANSPORTATION AND CLIMATE INITIATIVE (TCI)

R. Earl Lewis, Vice Chair, TCI
Erin Morrow, TPB Transportation Engineer

Mr. Lewis will provide background information on the TCI and its overall goals and activities. He will provide the context for TCI's proposal for a cap-and-invest program to reduce carbon dioxide emissions. Ms. Morrow will review the different work activities of TCI, highlighting the proposed cap-and-invest program and sharing some preliminary modeling results as well as the status of the final Memorandum of Understanding.

11:45 A.M. **5. DISCUSSION**
Kelly Russell, TPB Chair

11:55 A.M. **6. ADJOURN**
