A G E N D A

1. 10:00 AM **Welcome & Introductions**
2. 10:05 AM **Review of the Traffic Signal Power Backup System Survey**
 - a. **Review and Discussion of the Summarized Results of Traffic Signal Power Backup System Survey**

The subcommittee will review and discuss the summarized results of the survey. Participants from different jurisdictions/agencies will be able to error check, exchange information, the status quo, suggestions and further recommendations to TPB staff, and provide an outlook for the future.
 - b. **Traffic Signal Subcommittee Follow-Up to Survey**

The survey results are scheduled to be reviewed and discussed at the meetings of Emergency Preparedness Council, MOITS, Transportation Planning Board, and Incident Management and Response (IMR) Steering Committee. In preparation, the Subcommittee will be asked to discuss:

 - Refinement of cost estimates for installation, maintenance, and operations.
 - Develop options and budget estimates for strengthening regional capabilities

- Advise how to best present the results and coordinate with other stakeholders in this region.

c. Discussion of Other Related Issues

3. 10:45 AM **Jurisdictional Roundtable**

Participants will be invited to discuss traffic signals-related jurisdictional activities of interest, and to suggest agenda topics for future meetings.

4. 11:15 AM **Other Business**

5. 11:20 AM **Tour of Arlington County's Traffic Management Center**

Participants will have the opportunity to visit Arlington County's newly opened state-of-the-art Traffic Management Center (TMC). Mr. Shahid Abbas will lead the tour and introduce different functionalities and capabilities of their TMC.

6. 12:00 Noon **Adjourn**

Next Meeting: TBD
