What Are Critical Urban Freight Corridors?

- **CUFCs** are one component of the National Highway Freight Network (NHFN) established by the FAST Act.
 - The components of the NHFN are:
 - Primary Highway Freight System (PHFS)*
 - Other Interstate Portions not on the PHFS*
 - Critical Rural Freight Corridors (CRFC)
 - Critical Urban Freight Corridors (CUFC)
 - Limited dedicated federal funding available for the NHFN – must contribute toward the efficient movement of freight

* Note: these components were predefined as part of the FAST Act
