10:45 Break

11:00 Roundtable Discussion -ENERGY STAR Products

12:00 Luncheon - Sponsored by COG and PTI

12:45 ENERGY STAR qualified & FEMP products

Session walks attendees through the Purchasing resources using EPA's 5 steps to procure a product, using a pre-selected product, shows them how they'd use the ENERGY STAR resources to specify and procure it.

- Product lists and specifications: Qualified products, manufacturers, and models.
- Life Cycle Cost Calculators: Estimate how much you save with ENERGY STAR.
- Procurement language: Using language templates—copy and paste procurement language into their procurement policy, and RFPs.
- Communications: Promote program and successes to stakeholders.
- Federal Websites: Walk the attendees through the Purchasing and FEMP Web sites

2:45 Workshop Wrap Up

- Questions, Answers, Next Steps
