11:05 7. **Update on the Metropolitan Area Transportation Operations Coordination (MATOC) Program**

..... Andrew Meese, DTP
As requested its September 18 meeting, the TPB will receive a MATOC activities update memorandum in the October 16 TPB meeting materials. MATOC is a joint program between DDOT, MDOT/SHA, VDOT, and WMATA to promote real-time interagency information sharing and coordination. The TPB requested information on MATOC's regional transportation coordination activities during the September 16 Navy Yard incident, and this information will be included in the draft memorandum.

11:20 8. **Update on the Connection between Goods Movement and the Economy at the County Level in the Washington Region**

..... Karin Foster, DTP
In order to better understand the connection between goods movement and the local economy, TPB staff has interviewed county and city staff to obtain goods movement data and information on freight facilities within their jurisdictions. The Committee will be updated on observations about goods movement and the local economy data throughout the region.

11:40 9. **Briefing on the new Activity Centers and their Share of Round 8.2**

Forecast Regional Growth

.....Clara Reschovsky, DTP
In July, the Planning Directors Technical Advisory Committee (PDTAC) approved Transportation Analysis (TAZ)-based geographic definitions for the 141 new Activity Centers that have been designed to better integrate locally planned growth areas into the regional planning process. Staff will brief the Committee on the new Activity Centers and the share of future regional growth (Round 8.2) projected to occur in these centers by 2040.
