

Topic Areas for LRPTF Discussion

- a) Increase capacity on Metro (such as 100% eight-car trains and increasing station capacity)
- b) Expand the transit system (such as Purple Line extensions, light rail in DC, and bus-rapid transit)
- c) Standardize and/or reduce transit fares
- d) Improve pedestrian and bicycle access to Metro
- e) Invest in transportation improvements and encourage more job growth on eastern side of the region
- f) Incentivize transit-oriented development across the region
- g) Toll new and existing roadways, charge more for parking and/or implement a VMT tax
- h) New Potomac River crossing for cars and/or transit
- i) Implement technology on roadways
- j) Increase telework and flexible work schedules
