

# COVID-19 EMERGENCY RESPONSE FUND

April 24, 2020

Presentation by: Tonia Wellons

# Our Regional Response

- **Raise and deploy critical resources to nonprofit partners**
- **Respond to urgent health and economic needs related to this crisis**
- **Reach historically underserved and disproportionately impacted communities**

# Initial Funding Priorities

- Education & Youth: Expanding access to childcare for low-income families and services for out of school children and youth.
- Employment and Small Business: Mitigating loss of wages and work for hourly and gig economy workers and small business owners, especially for people of color who are disproportionately affected.
- Medical Care and Access: Supporting health care and direct service providers and expanding medical care access for seniors, marginalized communities, people without coverage, and others.
- Homelessness and Housing: Addressing the unique needs of people experiencing homelessness and people at risk of homelessness.
- General Operating Support: Filling gaps for nonprofits providing critical services while facing loss of revenue or lack of volunteers, supplies, or equipment.

# Aligned Efforts from Local Businesses and Government

# Mid-Term Reengagement

- RFP for nonprofit partners to reopen at the end of the month with an updated set of giving priorities
- Refining our focus on target populations and issue areas:
  - People who are incarcerated and returning citizens
  - Historically underserved populations and communities
  - Women and children facing increased instances of domestic violence and abuse
  - Undocumented people and immigrant communities
- Launching Get Shift Done for Greater Washington

# Long-Term Reconstruction
