

# Brownfield Assistance for the National Capital Region

---

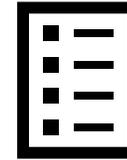

# How can Planning help your community cash in on your brownfields?

---

Information and Tools

Brownfield Inventory

Resources

Grant Applications

# Let Planning be your Brownfield Assistant

---

We can act as a liaison with MDE, NJIT TAB, and EPA

We will research other assistance opportunities from federal, MD, NGOs, private foundations

We will take notes, research statistics, and write your grant proposal

Request for Brownfield Assistance form

# With a Little Help from My Friends: Partnering for Success

---

EPA: The federal guru

Local Non-Profits: The buddy system

NJIT TAB: The techie

Developers: The catalyst

MDE, VA DEQ, D.C. DOEE: The state/district gurus

Community: The pulse

Commerce: The finance folks

MDP: The intermediary

# Program Achievements

---

2018–Present—Developed(ing) relationships with local governments, state agencies, EPA, NJIT TAB, community organizations and non-profits

September 2019—Co-hosted our first brownfield bootcamp at the Eastern Shore Conservation Center in Easton

December 2019—Submitted our first EPA brownfield grant application

March 2020—Launched [webpage](#), including brownfield success stories

May 2020–Present—Hosting virtual brownfield presentations during COVID-19 to continue promoting this important topic

# 2021 Maryland Brownfield Conference

---

Do you want to serve on an advisory committee to inform the conference planning process?

# Discussion Topics

---

- Trail system opportunities for brownfield investment
- How to address community concern about residential redevelopment of brownfields & when is a site deemed safe for residential reuse?
- Other topics of interest?
