

City of Alexandria Transportation Division

**2900 Business Center Drive, Door B
Alexandria, VA 22314**

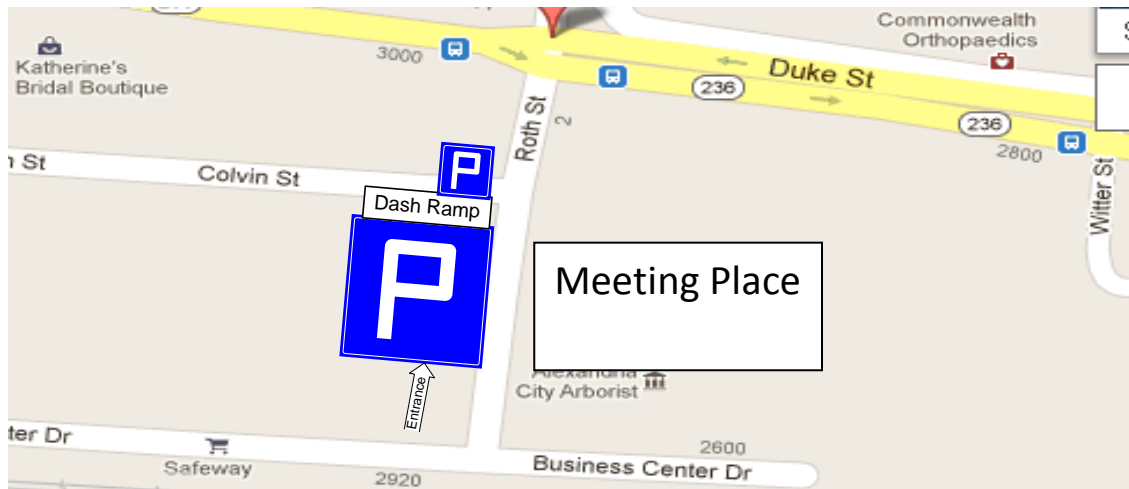

Conference Room: Training Conference Room 133

Driving/Parking Information:

You can find the driving direction from either Google or Mapquest. Please enter Door B once you approach the facility.

Parking spaces are available at two ground level parking lots in the vicinity of the facility. Please see the graphics below. Please note that there will be signs at the entrance of the parking lot indicating that it is a park-by-permit lot. You can ignore the sign because the City of Alexandria is willing to accommodate us on that day and the person in charge of the parking lot has already been notified of our meeting.

Please do not park your vehicle in front of the building where those spaces are reserved for the city vehicles only.

Metro Information:

The nearest metro station is King Street Metro Station on Blue/Yellow Lines. It is about 1.5 miles from the meeting location.

Once you are in the facility, please go to training conference room 133 for the traffic signals subcommittee meeting. There is a secretary sitting next to the door who will be guiding you to the conference room if needed. No security checks are required in the building.

On that day, if you need any help, please contact Maha Gilini (571-238-1538) or Huijing Qiang (571-292-6968).
