

You're Invited!

Tuesdays at APA-DC

March 22 @ 5:30pm

Reston Master Plan Special Study

***Speaker:* Patty Nicoson**

President of Dulles Corridor Rail Association

Co-Chair, Reston Master Plan Special Study

Reston, Virginia, a planned community more than 40 years old, has been written about by a generation of planners. The approaching arrival of Metro to Reston is a critical project for the region and will generate new opportunities as well as new challenges for the growing area.

The Reston Master Plan Special Study Task Force, which began meeting in January 2010, is charged with making recommendations for amendments to the Fairfax County Comprehensive Plan that will help guide future development in Reston and adjoining areas located along the Dulles Airport Access and Toll Road (the Dulles Corridor).

Join Patty Nicoson as she discusses the public participation process of this important study and the scope of the project.

Tuesdays at APA-DC

Join APA in Washington, D.C., each month for this after-work lecture and discussion series. Practicing planners, researchers, and professionals from allied fields discuss innovative ideas and concepts or present their latest projects.

The events are **free** and open to APA members and nonmembers.

We hope to see you there!
