

Local and regional support to PACE programs

Climate, Energy, and Environment Policy Committee

July 21, 2010

PACE update

- FHFA statement on July 6 severely compromises PACE programs
- Legislative action is needed to guarantee local governments the right to assess special taxes for clean energy programs.
- **Action requested:** approve CEEPC letter to Congress in support of PACE

ICLEI PACE Action Toolkit

- Sample resolution for City Council / County Board
- Sample letter to Congress
- Sample press release
