

DISTRICT
DEPARTMENT
OF THE
ENVIRONMENT

The Carbon War Room and the District Department of the Environment are extending a special invitation to private energy efficiency investment companies to present their off-balance sheet financing solutions to major property owners in the District of Columbia. There will be two break-out sessions: one for private commercial buildings and the other for the MUSH (municipal, university, school, and hospital) sector.

The Carbon War Room and the District of Columbia measure our success by your success; the goals of this energy efficiency “Deal Day” are to maximize transactions, to promote investments in energy efficiency, and to reduce carbon emissions that contribute to climate change.

- When: October 20, 2011, 2:00-5:00pm
Networking event from 5:00-6:30pm
- Where: Presentations at 1200 First St. NE, 10th Floor
