

MWAQC-Technical Advisory Committee Meeting

Draft Agenda

Date: January 13, 2015, 10:00 AM

Call In: (712) 432-0075 Passcode: 299571 #

- 10:00** **1. Call to Order and Review of Meeting Summary**
Tad Aburn, Chair
- 10:05** **2. Results of Commuter Connections TERM Analysis**
COG/DTP staff will discuss the results of the TERM analysis for the Commuter Connection program. Staff will discuss emissions benefits resulting from various measures undertaken as part of the program.
- 10:20** **3. Status of 2014 VIN Data**
COG/DTP staff will discuss results of the processing of the 2014 vehicle registration data, which will be used in the MOVES2014 model for updating the mobile budgets in the PM2.5 maintenance plan and the future conformity analyses. Staff will also compare the characteristics of the 2014 vehicle fleet with those of 2008 and 2011.
- 10:35** **4. Briefing on Draft Scope of Work for the Air Quality Conformity Assessment for the 2015 CLRP and the FY 2015-2020 TIP**
Jane Posey, COG/DTP will brief members on the draft scope of work for the 2015 conformity analysis.
- 10:50** **5. Current & Proposed Ozone NAAQS Related Items**
- A. Draft Comment Letter for EPA’s Proposed New Ozone NAAQS**
Members will suggest and discuss possible contents and language for a draft MWAQC comment letter on the new Ozone NAAQS proposed recently by EPA.
- B. Court Decision on 2008 Ozone NAAQS & the Washington Region**
COG/DEP staff will discuss a recent court decision regarding the attainment deadline for the current ozone NAAQS and its implications for the Washington region.
- 11: 20** **6. State Gold Book**
COG/DEP staff will discuss a preliminary version of the State Gold Book, which includes a list of control measures that are currently being planned, proposed, and adopted by different jurisdictions. This document will serve as a starting point for discussions for possible future actions to improve air quality.
- 11:35** **7. Status of Multi-Sector AQ/GHG Work-Group**
COG/DEP staff will brief members on the status of the planned multi-sector working group to develop strategies to reduce air pollutant and greenhouse gas emissions in the Washington region.
- 11:50** **8. Announcement of MWAQC-TAC Stakeholders**
Chair will announce the appointment of four stakeholders for the year 2015.
- 11:55** **9. State and Local Updates**
- 12:00** **10. Next Meeting – February 10th, 2015, Adjourn**
