

The Metropolitan Washington Council of Governments
Climate, Energy and Environment Policy Committee
presents

Street Light Technology Vendor's Forum

The Council of Governments will be hosting a vendor's forum with the goal of demonstrating the advancements in energy-efficient street lighting technology.

WHEN: October 20, 2009
8:30 am – 4:00 pm

WHERE: Marriott Metro Center
Ballrooms A and B
775 12th Street NW
Washington, DC

To register for the forum, visit
www.mwcog.org/environment/streetlights.
For more information about vendor
sponsorship, contact George Nichols
at gnichols@mwcog.org or 202-962-
3355.

Metropolitan Washington
Council of Governments

- **Goal:** To educate and provide the Metropolitan Washington area with options for energy-efficient street lighting. Topics to include:
 - The role of new lighting technology
 - A look at lighting legislation – EPACT 2005, EISA 2007 and 2009 Energy Bill
 - Local government and municipal case studies
- **Who Should Attend:** Over 75 of the regions elected officials, environmental managers, financial analysts, lighting engineers, utility providers, and major users of outdoor lighting (e.g. universities and hospitals).
- **Exhibitors Include:**
 - *LED Roadway Lighting Ltd*
 - *Phillips HADCO*
 - *Phillips LUMEC*
 - *Amplex Inc.*
 - *Sternberg Lighting, Inc.*
