

Protect your community and water supply!

MEDICATION TAKE BACK DAY

Saturday, April 29th, 2017

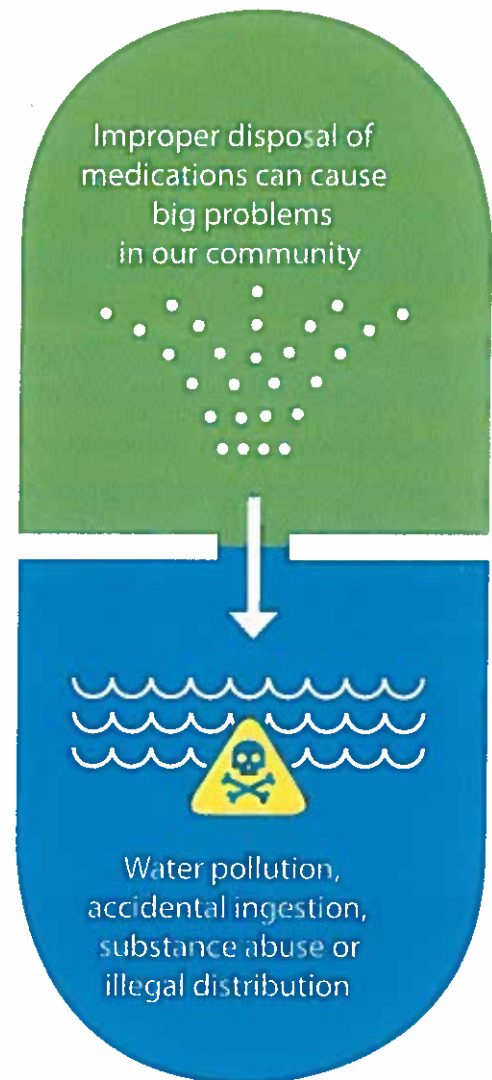

10 a.m. – 2 p.m. at participating locations

Safely dispose of unwanted prescription and over-the-counter medications at over 50 participating locations throughout metropolitan Washington.

To find the closest location, visit bit.ly/Medtakebackday or call 1-800-882-9539. A list of permanent medication drop boxes is available at bit.ly/managemedication.

The National Drug Take Back initiative is coordinated by the U.S. Drug Enforcement Agency and promoted regionally by the Metropolitan Washington Council of Governments and local law enforcement agencies, water utilities, and health agencies.

Metropolitan Washington
Council of Governments

Sponsored by the drinking water and wastewater utilities of metropolitan Washington
