Conference Call Access:

Call-In Number: 1 (866) 962-5317
Passcode: 3245

10:00 am – 10:05 am	1. Call to Order	Olayinka Kolawole , Chair, District Department of the Environment
10:05 am – 10:10 am	2. Approval of May 17, 2012 Meeting Summary	Chair
10:10 am- 10:25 am	3. District of Columbia Green Up DC Green Up DC is an online tool that helps District properties have a positive impact on the environment by providing tools for planning and installing storm water and energy projects on their property and for learning about green projects installed by their neighbors and throughout the District.	Emil King , District Department of the Environment
10:25 am – 10:45 am	4. Small-Scale Solar Group Purchases for Local Governments Optony consulting firm focuses on enabling government and commercial organizations to bridge the gap between solar energy goals and real-world results. Optony will share their experience with small-scale solar group purchases in San Francisco from a local government perspective, as well as give an update on the status of the Washington DC area collaborative procurement.	Tyler Espinoza , Optony, Inc.

10:45 am – 11:05 am	5. Solar Loan Guarantee Facility	Chris White , Solar Capital Management
<p>Solar Capitol Management, a subsidiary of National Solar Power Partners, LLC, provides cost effective utility scale solar power production on solar power facilities. These facilities produce energy and environmental attributes including Solar RECs and Carbon Allowances for compliance with environmental requirements such as Renewable Portfolio Standards.</p>		
11:05 am – 11:25 am	6. Dominion Solar-Power Incentive	Sarah Cosby , Dominion Resources Services, Inc.
<p>Dominion Virginia Power has proposing an incentive to encourage customers to install solar panels and sell the electricity to the company. The demonstration project would be limited to a total of 3 MW. The proposed rate is designed to pay a premium to customers who generate electricity with solar power to defray installation costs.</p>		
11:25 am – 11:35 am	7. COG Sustainable Outreach Program	Maia Davis , COG
<p>The CEEPC workplan placed a priority on developing a regional public education campaign. In 2010 the Outreach Committee established to work on WE CAN (Wi\$e Energy by Capital Area Neighbors) Campaign and now the sustainability outreach program.</p>		
11:35 am – 11:45 am	8. Climate, Energy and Environment Policy Committee (CEEPC) 2013 Proposed Work Plan	Maia Davis , COG
<p>COG Staff will brief the committee on proposed energy-related CEEPC work plan elements. Committee members are expected to provide feedback.</p>		
11:45 am – 11:55 am	9. Roundtable Exchange and Other Business	All
11:55 am - Noon	10. Next Meeting Date, Proposed Topics, Other Announcements and Adjournment	Chair
<ul style="list-style-type: none"> July 12th – Joint IGBG and EAC meeting
