

Committee Member FAQ for COG Website

1. How do I find information for my committee?

Find information about your committee on your committee page. There are multiple ways to navigate to your committee page on the COG website. However, the most direct way to access your committee is by visiting: www.mwcog.org/committees and searching for your committee by name or scrolling down the list until you see your committee.

Once you are on your committee page, you can view meeting dates, meeting materials, members, featured documents, and staff contacts.

2. Where is meeting information located?

You can access upcoming meetings and materials for your specific committee on the lower right side of your committee page. To view meeting materials, such as such as agendas and presentations, click on the name of the meeting. To view more meetings, click 'View All' on the top right side.
