

## Climate Resilience Resources

MWCOG Resources, Available at: <https://www.mwcog.org/environment/planning-areas/climate-and-energy/climate-preparedness/>

- Summary of Potential Climate Change Impacts, Vulnerabilities and Strategies in the Metropolitan Washington Region (MWCOG, 2013)
- Using Smart Growth Strategies to Create More Resilient Communities in the Washington, DC Region (EPA, 2014)
- Building a Climate Resilient National Capital Region Report (NASA, MWCOG, GSA, GCRP, Smithsonian, 2014)
- NASA Washington Metro Area Climate Information Handout (2012)

### Guidance and Tools

- Georgetown Climate Center Adaptation Clearinghouse <http://www.adaptationclearinghouse.org/>
- 100 Resilient Cities' Framework and Guide (go to 'City Resilience' tab and click links to the right) <http://www.100resilientcities.org/#/-/>
- US Climate Resilience Toolkit <https://toolkit.climate.gov/>
- North Atlantic Coast Comprehensive Study <http://www.nad.usace.army.mil/CompStudy/>
- National Institute of Standards and Technology Guides <https://www.nist.gov/topics/community-resilience>
- Climate Ready Water Utilities <https://www.epa.gov/crwu>
- Climate Central <http://sealevel.climatecentral.org/>

### State Plans and Resources

- DC Climate Projections and Scenario Development <http://doee.dc.gov/node/1110407>
- Climate Ready DC Plan <https://doee.dc.gov/climateready>
- Maryland Climate Change Commission Adaptation and Response Working Group <http://www.mde.state.md.us/programs/Marylander/Pages/mccc.aspx>
- NVRC Climate Resilience Team <http://www.novaregion.org/index.aspx?nid=1354>
- Maryland Environmental Finance Center Stormwater Financing Manual [https://efc.umd.edu/assets/publications/2efc\\_stormwater\\_financing\\_manual\\_final\\_\(1\).pdf](https://efc.umd.edu/assets/publications/2efc_stormwater_financing_manual_final_(1).pdf)
- Resilient Virginia events, links <http://resilientvirginia.org/> and checklist <http://www.gogreenva.org/>
