*BEEAC Committee Members*

Local government members will highlight energy and building-related events, projects and programs. Members are asked to address the following:

- What infrastructure investments are included in your jurisdiction's capital improvement plans, comprehensive plans, and other plans?
- Are those infrastructure investments linked to climate and energy resilience planning?
- What are the challenges to integrating specific climate and energy

resilience planning to other broad-scope plans?

**10:45 A.M. 5. INTEGRATING RESILIENCE PLANNING AND CAPITAL IMPROVEMENT PLANS**

*Rich Dooley and Demetra McBride, Arlington County  
Jenny Willoughby, City of Frederick and Brenda Dix, ICF  
Brandon Bowser and David Comis, Maryland Energy Administration*

Panelists will discuss local and state approaches to integrating resilience planning with capital improvement plans, comprehensive plans and other master planning efforts. They will also highlight Energy-specific resilience projects and programs will be highlighted in the discussion.
