4. 1:50 PM **Update on the Regional Transportation Priorities Plan**
Dan Sonenklar, COG/TPB Staff

The Regional Transportation Priorities Plan, approved by the TPB on January 15th, is the result of a multi-year effort to identify the top strategies for addressing the region's most significant transportation challenges. It is designed to encourage local, state, and regional leaders to "think regionally and act locally" – that is, to consider regional needs when identifying transportation improvements to advance to implementation.
